Para 6. No records are forthcoming, but a solemn declaration of A. Rangiah Naide is enclosed. It will show that he actually was in Government employ between 17th August 1855 and 30th April 1856 on the Establishment of Mr. Huddleston late Assistant Civil Engineer in the North Arcot District and that the papers connected with that service were lost in the great Cyclone of Masulipatam in 1864; but the individuals named in the margin can witness to the fact as they were employed in that District at the same time. service from 1st May 1856 to 10 October 1870 has been proved from the records of my Office -

8. The apparent break referred to above it appears owing to his having resigned the Mysore service in October 1845, and the Police Department of Kolapur Field Force on 1st April 1847, for his own private reasons, but the Certificates then received were also lost in the same Cyclone -

9. The apparent causes of degradation were given in the column of "explanation of any degradation" on 3rd page of the pension application and there are not any other reasons to be given -

2. Delay in resubmitting the application has been caused by my endeavouring to verify the statements of the applicant who also lost some time in seeking to make his declaration before the Head Assistant/Joint Magistrate, as that Officer declined to receive it I send it without any oath or affidavit -
