№ 31

From The Executive Commissariat Office
To, The Commissary General Trichinopoly
Madras

Sir, In returning the enclosed letter from the
Controller Military Accounts No 678 dated 15th December
1870 I have the honor to state that it now
appears that the Peon Jivoomallay was transferred
from the Military Police to the Lock Hospital
Establishment, sometime in 1860 and was
subsequently on the 30th December of the same
year discharged on account of old age.

I regret I should have made a mistake, but it is a very difficult matter to attain any degree of accuracy in giving any particulars regarding the Service of these old Military Police Pems, in consequence of the utterly incomplete state of the Records - As Trooper Mallay was discharged at the same time that many of the old Police Pems, were discharged I presume it was concluded, that he shared a common lot with them, especially as he gave me to understand that this was the case.

Even now there is only Teromally's own admission that he was transferred to the Lock Hospital and discharged on account of old age. There is no record of any kind to support his statement except the letter from the Examiner to the Controller Military accounts quoted in the letter now under reply.

Trinidad, a late hour

The Applicant appears from this Register received from the Commisary General to have lost his appointment on the 31st December 1860, owing to the abolition of the Military Police but from the letter of the Executive Commisariat Officer at Tichino duly received from the above Functionary, to have been discharged from the Lock Hospital at the above Station on account of old age; whereas the Commisariat Examiner states that the above Individual was transferred from the Military Police to the Lock Hospital on the 30th May 1860, and as there are no Acquittance Rolls attached to the Pay Bills of the latter Establishment, he is unable to verify his service from the latter date to 31 December 1860, and also states that a Son was discharged on the 27th December 1860. As the Applicant appears from the above statement to have been discharged on account of old age, his claim for gratuity after the expiration of more than 10 years without Medical Certificate, cannot be admitted.
