PROCEEDINGS OF THE BOARD OF REVENUE, dated 19th December 1870.

Read the following letter from the Honourable D. ARBUTHNOTT, Collector of Madura, to the Acting Secretary to the Board of Revenue, dated Peracolum, 3rd December 1870, No. 345:—

I HAVE the honour to bring to the notice of the Board that one Lutchumana Row, the Vernacular Head Accountant of my Office, applied to me for a good service pension, and as he had completed a service of 37 years, I allowed him to retire from the service on the 22nd September last, and filled up the vacancy caused by his retirement. But before his Service List was checked, and a Register of application in the prescribed form prepared, he died. His son, Appu Row, claims the amount of pension due to his father from the 22nd September, the date on which his father ceased to be borne in the Government establishment, to the 13th of October, the date of his demise, amounting to Rupees 16-2-11 at the rate of Rupees 22½ per mensem, being a moiety of his average salary during the last five years. Under the circumstances, I have the honour to request the authority of the Board for disbursement to Lutchumana Row's son of the sum of Rs. 16-2-11 from the savings out of the allotment for the establishment of the Collector in the Budget of the current year.

SUBMITTED for the orders of Government.

2. The Board presume it will be necessary for the pension application to be submitted and allowed before the present application can be complied with.
