his age is by his own statement 53, and
by appearance about 53; and that I
find him to be unfit for further

opinion attributable to intemperance or

To
The Tahsildar
Bhooromacherry.

A Complaint having
been made to me by Soobha-
naya pillay one of the Moncars
of the village of Sooringecollay
to the effect that certain harvested
lands were entered as shavy
in the Remission Statement
of the said village for Fashy
1267, a re-examination of the
parties concerned was conducted
by me.

It appears that the village
Officials submitted a Statement
showing Rupees 392-12-7 of
shavy in Fashy 1267 and that
after this entry was tested
by the Acmashthar the sum
was remitted. But the said
Soobharoyapillay states that
certain harvested lands —
bearing

kept in the effective list.

bearing an assessment of
Rupees 276-9-11 have been
fraudulently included among
Shavy lands.

It is proved that this
Monegar Saibhargya Pillay
that now volunteers to give a
clue to the discovery of the fraud
did himself sign the said
Remission Statement as a
token of his admission of its
correctness and that examined
by the Gornastah. Further the
improper inclusion of the said
lands in that Statement has
not been brought to light by him
during the time of Jannabundy.

Although he now alleges
that lands assessed at Rupees
276-9-11 inclusive of his own
lands assessed at Rupees 10-
have been fraudulently entered
as Shavy still the remission
Statement given by himself
was

was verified twice prior to
this.

Of the 3 witnesses in
this case one deposes that all
the lands were actually Shavy,
and the other two depose that
they were unable to distinguish
the Shavy from the harvested
lands, as some of them were
bearing ears at that time.

It is proved that the
informers and the other Mone-
gar are hostile to each other.

Appiasamy Pillay Hoogomay
Sampath states in his report
that on an inspection of the
lands that have been repre-
sented as harvested ones he
was not able to say which was
really Shavy and which was
really harvested owing to the
deposit of silt on those lands.

It does not appear proper
to determine about the validity
of

of the said accounts at present
and to collect the sum of Rs. 276-9-11 from the ryots on
the strength of that determina-
tion. The permission therefore
that had been granted is hereby
confirmed.

Although there is no
sufficient evidence to collect
the said amount from the
ryots, still on a consideration
of the depositions of the witnesses
on the state of the crops that
have been standing on some
of the lands that received
remission under the state-
ment of the Mongar alleging
the falsity of the said accounts
there appears sufficient ground
to believe that the lands in
question yielded but trifling
crops, and that this Mongar
in conjunction with the other
Mongar did give false
accounts

accounts with the deliberate
intention of fraudulently
evading the Government Revenue
and that owing to some ill-
feeling that arose ^{between them} subsequently
this Mongar volunteers to
expose the fraud.

As the village officials have
in contravention of the Circular
Order on the subject of the prepa-
ration of the said Permission
accounts prohibiting the inclusion
of such lands as have given tri-
fling crops in the said accounts,
entered certain lands as sharing
on the ground that they have
given insufficient trifling
crops and as the Gomastah
Kistna Row who was sent for
the inspection of crops failed
to bring to light the improper
inclusion of such lands, I
hereby suspend the Mongar
Mooragapillay, Subbaraya
Pillay and Curnam Sitch-
mona Pillay each for

for one year and Gomastah
Kistna Row for 6 months.
You are therefore directed to
appoint competent persons
in their vacant places and
report their names for my
information. The volunteer
Apparao Moodley of Virdu-
chellur has been appointed
to act in the room of Kistna
Row and has been directed
to join you forthwith.

No 23

From

A. S. Sider Esq^{re}

Public Collector
of South Arcot.

To

Charles W. Rode Esq^{re}

Collector
of South Arcot.

Sir,

In reply to your letter No. 23 of 1st
24th ultimo, I have the honor to state that
Kistna Row produced the medical certificate
before me on the 5th January; this was
then communicated to you and to the
Subildar on the 7th instant.

2

I have nothing to do with the
pay of Dalry servants, the pay abstract does
not even pass through my office, the Sepoy
Collector in charge of the Treasury passes it
and he alone can say why Kistna Row
was kept on the effective list.

The probable reason is that
nobody knew he had been examined by
the Medical officer; and if the Medical
officer does not communicate the
result of his examination direct to any
Revenue officer, there is a practical
difficulty about immediately removing
a Public servant from the effective list,
if the Medical certificate is given into
that public servant's hands and he
retains it until after the next pay day,
if the Medical officer is directed to
communicate the results of his examination
on the very day either to the Head of the
District or to the Treasury Deputy Collector,
Matters would run more easily.

Mr. A. Nistna Row was on
leave on private affairs until the 1st Jan-
uary (vide ^{page} 375 of the District Gazette);
his application for pension may
therefore well be presumed to
run from the 1st January. The date
of the expiration of his leave,

and this is probably what he wanted,
he however took the precaution of
obtaining the medical certificate before
the expiration of his leave, in order
to avoid the trouble of rejoining.

Head of the District
Collector, February 1871

The Medical Certificate was dated 25th December last. The applicant produced it on the 5th January 1871 before the Head Assistant Collector from whom it reached me on the 21st idem. Prior to its receipt in my Office, the Deputy Collector Treasury Department forwarded the Salary Salary Bill for December 30 in which pay was entered for the applicant. The Deputy Collector is not in fault for he had no means of knowing at the time that the applicant was under medical treatment or that he was granted a certificate by the Civil Surgeon.

The Head Assistant Collector was called upon for explanation as to why the applicant was retained in the effective list after he was granted the medical certificate and this explanation is herewith submitted. Under these circumstances the Collector recommends the pension may be made to commence from 1st January though the Medical Certificate is dated 25th December 1870.

Explanation of Column 8 with quotations of orders of reinstatement.						Explanation of any degradation.		
The first break in the applicant's service as shown in Column 8, was, in consequence of the operations of Act VI of 1844 abolishing the duty of transit or inland Customs duties in Calcutta, in which he was thrown out of employ on the 1st April 1844. The second break in 1862 was, in consequence of the introduction of the new system of establishment, in which he was thrown out. The applicant was under suspension for 6 months from 22nd July 1853 to 15th January 1859 for having failed when he was sent for the purpose of procuring the goods for inclusion by the British Consulate in the Commission statement of certain goods, which had reached short of the consignments ordered to this effect.  I have the honor to acknowledge the receipt of your letter of the 11th inst. and in reply to inform you that the same has been forwarded to the proper authorities for their consideration.
