The Lt. to Gov. Pinnock is directed to request
the Ag. Col. to inform his law officer with reference to
the application for pension to Nat. Rannan, late
Vernacular accountant in his office, to be good
enough to explain more fully the circumstances under
which ^{he} acted on full pay in that office from 7th April
1868 till 4th Oct 1868. It is stated that during that
period the permanent incumbent was acting as acting
agent in an estate, but it does not appear why ^{for pension} ~~he~~ ^{he} will count the period in question in virtue of his
permanent appointment and which he ~~acted~~ ^{held}
a lien; or, if he had no such lien, why the ap-
plication was not confirmed as Vernacular account-
ant on 7th April 1868. The employment of the perma-
nent incumbent in the Devanahalli estate attached
for reasons of necessity appears to have been
temporary only.

Memorandum

The undersigned has the honor, with reference to the Memo: No. 840, dated 2nd instant, from the Examiner of Claims, to state that the service of N. Ramanna from the 1st May 1862 to 5th Oct. 1866, and the rates of salary noted as having been drawn by him during that period, correspond with the entries in the Audit Registers of this Office.

N. Ramana has obtained no leave which does not count for pension.

FINANCIAL DEPARTMENT.

No. 40.

FROM

THE HON. R. S. ELLIS, C.B.,
Chief Secretary to the Government of Fort Saint George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

In forwarding, with its enclosures, the Register of an application for pension submitted to this Government on behalf of Nati Ramana, late Vernacular Accountant in the office of the Collector of the Kistna District, I am directed to request that, as a special case, His Excellency the Viceroy in Council will accord his permission for the grant of a monthly pension of Rupees 12 to the applicant.

2. Nati Ramana's service, in grades entitling to pension, was fifteen years, four months, and one day, but as a break of one year, four months, and two days occurred in his service (from 6th December 1866 to 6th April 1868), he is not, under the rules, entitled to any pension. As, however, his temporary non-employment was owing to his incompetency for a particular branch of work, and, at the time of his removal, a situation in another branch was promised him, the intention of the head of the office evidently being that he should not be deprived of pension, I am to request that a pension for his whole qualifying service, subject to a deduction of Rupees 2 owing to the break, may be conferred upon him.

I have the honour to be,

Sir,

Your most obedient servant,

FORT SAINT GEORGE,

Memorandum.

1. The applicant entered the Public Service on 11th May 1852; from which date up to 8th August 1864 he served in the Department of Public Works. During this period there was only one break from 17th May 1853 to 7th June 1853. This occurred owing to Mr Dainoff's establishment having been reduced. While holding the Post of Deputy Estimate maker in the Superintending Engineer's Office 2^d Division applicant's services were discontinued as incompetent to do that work. The late Lord Munro stated in the accompanying Register A "that a situation in the account branch was promised to the applicant, but no vacancy occurred; and that it is not intended that this break should affect his past service", which was verified from the Records of the Engineer Department. On 1st November 1867 the applicant was reemployed in the Collector's Office as an acting Vernacular Clerk. After a few months he was made acting vernacular accountant on 1st April 1868, in which post he was confirmed. Applicant having been found unable to serve from infirmity and impaired vision as is certified in the enclosed Medical Certificate, the Collector ordered him to retire from the service on one third Pension to which he is fully entitled.

2. This period can be taken to account towards the grant of Pension. As the Superintending Engineer had certified that the applicant's removal from service in his office would not be a bar to his past service being taken to account, I beg to recommend that he may be paid one third pension. The applicant appears to have discharged his duties faithfully as will be seen from the enclosed testimonials.

3. The Medical Certificate is dated 5th April 1870, and the delay

of upwards of one month in submitting the Register of application
is due to the verification of services from the records.

Sir,

With reference to your official communication
No 9 dated 19th November 1870, I have the honor to sub-
mit the following explanation in regard to Pension
Case of Naly Ramanna.

2. On 5th April 1868, Sumbharay Tirumal Rao, Se-
nastadan of Bander Taluk, was appointed as
Agent to manage the Estate of the Demarako taluk
Gaminadar, which was attached for arrears of
Prishkush. During the period this individual held
this office, he drew the full salary attached to it,
and that service is eligible to count for pension.
Gaianda Venkatesh, Vernacular Head Accountant
in the Collector's Office, was appointed as Acting
Senastadan of Bander Taluk on full pay, which
was available. In filling up his appointment
in the Mazin, Naly Ramanna was made acting
Vernacular second accountant on full pay from
7th April to 4th October 1868, when the acting Senas-
tan of Bander Taluk having been appointed

as

as permanent Director of Guadalupe Island,
the acting arrangements previously made in the
Hague were confirmed. Hence the service of Kady
Romanova from 7th April to 4th October 1868
is eligible to count for Pension, because he was
subsequently confirmed in the very post to which
he was appointed acting on full salary.
