Sir,

With reference to your certificate dated 31st March - certifying that S. Lutchmannaiah Reddy, Esq., a Clerk of my Office is an inmate of the Lunatic Asylum - I have the honor by order of the Provincial Commandant-in-Chief to request you will favor me with your opinion as to whether it is likely, the Clerk will be permanently cured of his malady.

2. I am to inform you that he has been suffering from derangement at intervals during the last 16 years and he was discharged from the Adjutant General's Office in 1855 in consequence thereof. He was re-entrained in 1857 and came to this Office in 1859 and since that time he has had two attacks - in 1864 when he was nearly 1 month absent - and in 1868 when he was 3 months absent - and after each attack he appears to have much less intelligence and ability.

ability to perform his duties than before.

3. The Object in view in obtaining the certificate now called for, is to make a special reference of his case to Government, in order if possible to obtain a small pension for him, as, from the infirmity he labors under, he is but of little use here, and quite unfitted for the position he holds.

I have &c.

Respectfully Thos. F. Gosling Colonel.

Sir

I have the honor to return the
enclosures of your official memorandum
"Pension Department", dated 23rd June 1871,
No 30, and to express regret at my inability
to obtain a Medical Certificate in the pres-
cribed form, as Dr. Murray under whom
late Clerk Sutchummarayana Reddy was
treated, and who alone could furnish the
same from his knowledge of the man's
infirmity, proceeded to England on the
23rd instant.

2 At the same time I would observe,
that the frequently recurring attacks of insanity
to which the late Clerk has been subjected
have impaired his intellect to a great
extent

Sir

I have the honor by order of the Provincial Commander-in-Chief to report for the information of Government that D. Lutchmeenaroyena Reddygaroo 3rd Assistant in the Office of Assistant Adjutant General Royal Artillery has been discharged the Service from being Insane and being reported by the Superintendent Lunatic Asylum as unlikely to recover permanently from his present attack.

2. The man has been suffering from this Malady at intervals ever since his admission into the Service, but of late the attacks have been recurring more frequently than formerly.

3. He was first employed under Government in this Office in 1852, but was discharged in 1855 through derangement of mind

Mind. Being apparently perfectly cured he was re-entertained in this Office on 1st November 1857, was transferred to Office of Assistant Adjutant General of Artillery on 12th December 1859, and did not suffer from Mental derangement again until the end of 1863 when he became an inmate of the Monrovia Hospital and was in due course discharged apparently cured. Since this however he has had two attacks, - one in 1868 after an interval of 4 years; and the present one, - with an interval of less than three years.

4. Not only have the attacks become more frequent, but it has been observed that after each, he appears to have much less intelligence and ability to perform his duties than before, and being now reported on as by Letter attached, there was no other alternative left but to dispense with his Services.

5. I beg to forward for the favorable consideration of Government an application for gratuity for this Clerk, and trust that in consideration of his having served 2 years and 11 months in addition to the full period (11 years, 10 months, and 23 days) allowed to reckon, - and 11 months not in a pension grade

grade, - that the full amount of gratuity may be passed for him.

Sir,

In reply to your letter No 1128 of the 12th instant, requesting an expression of my opinion as to the mental condition of T. Latchmeha Regana Steady Garoo a clerk in your office, I have the honor to state that I consider it unlikely that he will ever permanently recover from his present attack of Insanity.

2. The frequency of his previous attacks, the recurrent form of the malady, and the certainty of the intellectual faculties becoming more and more impaired after each accession of the disease, afford amply sufficient grounds for losing all hope of his ultimate recovery.

I have the honor to be,

Sir,

Yours most Obedt. Servt.
