Most Honored Sir,

I most humbly beg leave to bring the following few lines before your honor in the humble hope that they will meet with your honor's favourable consideration.

1. I beg to inform your honor that I entered into the Govt Service, as H. Q. Quarmatta in Dharampuram Taluk in June 1828, and was from that period continuously in the public employ for 30 years and 2 months.

2. While I had a long Service of 30 years & 2 months, a false Complaint of abuse of authority, was instituted against me, in the joint Magistrate's office; the joint Magistrate, though there was no sufficient evidence, sentenced me to 50 Rs fine and I was dismissed. I appealed against this Sentence to the Session Judge who reversed it and ordered the fine to be paid to me.

After the payment of the fine, I applied to Mr. C. B. Thomas the then Collector for my post, who seeing no post vacant but that of a Huzoor Daffadar on 10½ Rs

Salary

Salary, conferred on me the said office & ordered to do writing work in the Shrestadar's office. As I was poor & under the fear that my long service of 30 years & 2 months will become useless, if I were to fail in getting a post within a year according to the Standing order of the Board of Revenue, I accepted that post and was in that office for 10 months, after which I was promoted to an accountant which accountantship I am still holding.

3. In considering to send in my application for pension and now possess a service of 42 years, some persons are saying that the period of 11½ months during which I was without employment & that of 10 months when I was a Defaulter, together amounting to 21½ months, will be considered & was not during the time in the public employ.

4. Besides my being entered into the Govt. Service at an early age & from that time conducting my duties with care & steadiness, I have at several occasions acted for high offices according to the Huzoor order, regarding which I possess several documents. I have nothing to live upon but the bounty of the Government which I have so long served.

5. In the year 1868, on your honor kindly referring a similar case of Teeputchan Bhattarai Inspector of Palladium, to the Government, in whose service there

there was a break, proper pension was sanctioned to be paid to him.

6. As my case is of that nature and as I have nothing to live upon but the small pension which may be allowed, I pray your benevolent honor will have compassion on me as to refer my case to Government, with your honor's kind recommendation, in order that the proper pension may be paid to me for my long service of 41 years & 2 months (deducting 10 months during which I was a Defaulter, from my entire service of 42 years.)

For this act of benevolence & charity I will, as in duty bound ever pray.

charge brought against him, were not examined, as also on the depositions of the witnesses for the prosecution (which the Session Judge observes were merely affirmed before the Magistrate) having been taken & the witnesses examined in his absence, whereby he was deprived (as he complains) of all opportunity of questioning the latter. And further he is of opinion that the evidence in the record is not of itself of so satisfactory a nature, as to warrant a conviction, being in some respects contradictory and on important points at variance with the prosecutor's statement. Under these circumstances, he resolves to cancel the sentence of the ^{the} Joint Magistrate, and directs that the fines imposed

the prisoners be remitted.

Ordered that Extract from these findings be sent to the ^{Ag.} Magistrate for his information & communication to the Acting Magistrate Mr. H. E. Sullivan, except returnable within 3 days & after its receipt.

Asst. Chief Secretary to Government
Fort Saint George.

Sir

I have the honor to submit for the con-
sideration and orders of Government, an applica-
tion from D. Sreenivasa Rao, 5th English
Accountant in my office, to be released on
good service pension, after a service of 31 years,
which would have counted for pension, but
for a break of 21 months, in the continuity
of the same.

Sreenivasa Rao was first enlisted in
the public service, as a formastah in S. S. S.
S. S. S. Taluk, in July 1828, when he was 14 years
of age. He served in several posts uninterruptedly, for a period of 30 years, 2 1/2 months

by a fine of Rupees 50, under Clause 2, Section III Regulation III of 1819, and was dismissed from office. Sreenivasa Rao applied against this sentence.

The Session Judge at Coimbatore, who on view of the records of the case, reversed it, and

ordered that the fine be remitted. The sum of Rupees 50 was accordingly refunded to the applicant. Sreenivasa Rao then petitioned the Collector Mr. E. B. Thomas, requesting

as he had been acquitted by the Session Judge, he might be re-instated in his former appointment, or that any other appointment might be conferred on him. Until the 24

August 1859, nothing was done in regard to his application, and he again petitioned the Collector, stating that his previous long

service of 30 years, was likely to be affected, if the period of his being unemployed exceeded a year, but which was then 22 days less than a year. On the 1st of September 1859, Mr. Thomas appointed Sreenivasa Rao to the post of Saffadar in the Buzur, on a pay of Rupees 10 1/2, and ordered him to do the duty of a Clerk, as was usual in those days, with accompanying translation of the

to be continued in this appointment up to 20 June 1860, and on the 20th July, he was appointed as Vernacular Accountant in the Buzur, on Rupees 15. In November 1861, he was promoted to Rupees 20.

In December 1868, he was promoted to Rupees 25, which post he now holds. He has satisfactorily performed its duties, and his dismissal excepted, has never come unfavorably under notice. The total period of his service up to date, is 41 years 11 months as shown below:

In December 1868, he was promoted to Rupees 25, which post he now holds. He has satisfactorily performed its duties, and his dismissal excepted, has never come unfavorably under notice. The total period of his service up to date, is 41 years 11 months as shown below:

Uninterrupted service from July 1828 ^{Ys. his days.}

to 15 September 1858 ————— 30-2-15

As Saffadar in the Collector's office,

doing duty as a clerk from September

1859 to 30 June 1860 ————— " - 10 - "

As Vernacular Accountant on

20 Papes from 1st July 1860 to 31st Dec.

ember 1860 ————— 5-6-"

As English Accountant on 20 and 25

Papes from 1st January 1866 to 31st May 1871 — 5-5-"

41-11-15

Of this period, 8 years must be deducted,
being the period of his service, before he
attained the age of 22 years. The period of
10 months during which he stood appoint-
ed to the post of Saffadar, a grade not
eligible for pension, must also be deducted,
making in all 8 years & 10 months. The net
period of his service is therefore ^{Ys. his days.} 33-1-15.

This would seem to give him a claim
for pension, but this service is not continuous,

as required by the pension rules, because
since his dismissal from the office of
Police Ameen of Cannivady, he was
without employ for 11 months, 15 days, and
because his subsequent employment for
10 months as Saffadar in the Nagar, can-
not count for pension. Thus the total

period of break in his service, is ^{Ys. his} 1-9-
and ^{days} 15. This exceeds, by 9 months and 15
days, the period of break allowable by
the despatch of the Secretary of State, dated
24 November 1863 No. 208.

In consideration of the long service
of this person, and of ^{the} circumstances under
which the break in his service occurred,
I would respectfully submit his applica-
tion, as a special case, for the favor-
able consideration of Government, in
view to his being declared eligible for a
good service pension. The usual Register

will be submitted, through the Accountant
General, on receipt of Government
orders on this reference.
