His Excellency

The Right Honorable

The Governor General

of the East Indies

The Honorable Petitioner of the said

Governor General of the East Indies

of the East Indies

Most Humbly Sheweth

Petitioner most respectfully sheweth that he is a native of the said East Indies, and has been employed in the said Office of the said Governor General of the East Indies for a long period of time.

That your Petitioner was employed in the said Office of the said Governor General of the East Indies for a long period of time, and has been employed in the said Office of the said Governor General of the East Indies for a long period of time.

On the 1<sup>st</sup> May 1862, Collector G. F. Shubuck Esq<sup>r</sup> having taken into consideration the arduous nature of his duties, pleased to promote him to a Writers post in a Salary of 15 Rupees per Mensem which continued 8 years & 2 Months, during that time he worked very diligently and rendered every satisfaction to all his Superiors.

In the month of July 1870, a Reduction in the Establishment was made, whereby the Petitioner was removed from his Service & replaced a new man, while he is strong enough to work hard and able to perform his duties.

The total period of his services in the said Office is about 28 years, during that long time, he has served very honestly & diligently as will be seen from the Annexed Testimonial given by the Collector.

Whereas Mr J. H. Blair the late Collector of Sea Customs, pleased to recommend him to the Government for gratuity of Rs 120-

for the services of 8 years, that he was employed under the Capacity of a Writer and leaving out the Services of 19 years, & 9 months, that he has served under the Capacity of Concoptoly & which has mislead the Government to sanction 6 months gratuity, which will amount to only 90 Rs. and, on the contrary, a similar person of his description in the same Department, has been recommended by Mr Blair & the Government has been pleased to confer on him with a pension of Rs 4 per month - but to his misfortune, the Government has sanctioned 6 months gratuity say Rs 90, which sum he regrets to state to your Lordship will scarcely meet the wants of his poor large family consisting of 12 souls to maintain in these hard days

Under the above circumstances, the Petitioner earnestly solicits your Lordship will be graciously pleased, to investigate his Case as to favor him with a suitable Pension, to which he may be entitled, as your Lordship may think it reasonable -

Under these painful Circumstances, the Petitioner shows his unfortunate Case at your Lordships footsteps and craves for mercy -

Shall Ever Pray
