REVENUE DEPARTMENT.
FORT SAINT GEORGE,
24th October 1870.

No. 242.

No. 1,620.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

Miscellaneous.

Letter, dated 31st January 1870, No. 783.

SIR,—This Government in their Chief Secretary's letter, dated 30th June 1870, No. 971, requested that the restriction, embodied in the recent ruling of the Government of India, to the effect that

“ as in the case of employment in the Settlement Department, service on the establishments of the Inam Commissioner may be allowed to count for pension, if it is followed without a break by enrolment on a permanent establishment,” might be withdrawn in so far as it affected the employés of the Inam Commission. To this request the Government of India have since acceded.

2. I am now directed to submit a similar request on behalf of the officials of the Settlement and Survey Departments.

3. The Government of India are aware of the responsible duties which devolve on even the subordinates of the departments in question, and, apart from this consideration, the Government of Madras is distinctly pledged to a declaration that service in the Settlement and Survey Departments is to be considered as

G. O., dated 24th March 1858, No. 391.

entitling to pension. The marginally noted enclosures show that on the representation of the then Director of Revenue Settlement, that the efficiency of his department would be seriously impaired, unless the Pension Rules were extended to it, the Government of the day, attaching weight to his argument, and being further of opinion that the departments of Revenue Settlement and Survey could not be considered as temporary establishments, directed “ that the servants of these departments should be considered

“ eligible to pension under the same rules that apply to all other departments.”

4. I am therefore directed by His Excellency the Governor in Council to request that, in consideration of the importance of the work entrusted to the departments of Revenue Settlement and Survey, the length of time which must elapse before their operations can be concluded, and the assurance of Government when their establishments were raised, service in them may be regarded in all respects as service on a permanent establishment.

I have the honour to be,

Sir,

Your most obedient Servant.

IN reply to your letter, No. 1,620, dated 24th October 1870, I am directed to state that, under the circumstances therein represented, the Governor-General in Council is pleased to sanction the recommendation of the Government of Madras that, as ruled in the orders of this department, No. 2,286, dated 29th July 1870, in the case of the establishments of the Inam Commissioner, service in the departments of Revenue Survey and Settlement in Madras may, in respect of pension and gratuity, be regarded as service rendered on a permanent establishment.

2. In granting this concession, however, the Governor-General in Council desires me to remark that the orders must not be understood as giving any greater permanence to the establishments under the Inam Commissioner and in the Revenue Survey and Settlement Departments, or to the employment of the officers in them, than they previously had.
