PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the
Collector of the Krishna District, dated 2nd
August 1891 No 2349.

Order thereon 14th August 1891 No 432.

The delay in the submission of the claim was not owing to any fault of the applicant, but to the neglect of the district authorities, whereby in so many cases the interests of applicants for pensionary allowances has been compromised.

2. Though, after the time which has elapsed, and owing to the death of the applicant, his unverified service cannot be proved, it seems clear that he was entitled to a gratuity for his proved service and a formal application to this end should now be submitted.

3. The petitioner will be referred to the Collector.

SIR,

1 With reference to the Government Endorsement No. 1369 of 1871 on Petition of Fatma Bi of Lakshmapalli Taluk, Kistna I have the honor to submit the following brief report:-

2 Petitioner is the widow of the late Shik Abdulla Police "Jawan" in the late Nondavid Taluk (Now Lakshmapalli)

3 He was thrown out, in the revision of establishment, on 31st August 1862, after a period of 30 years' service. For this reason as the G.O. of 17th February 1864 had not been yet received, no application for a Compassionate allowance was made by Government in his behalf.

4 On the receipt of the said G.O. Calling upon Collectors to submit lists of thrown out servants with a view to providing them with stipendary allowances, a list containing 157 names was forwarded to the Board of Revenue on 20th December 1868. Petitioner's husband was therein included & recommended for a pension of Rs 2-8-0.

5 The Accountant General, however, to whom the list was forwarded from the Board's Office, returned the list with a remark that individual registers of Application should be furnished for the 157 men in the usual manner.

Whereupon the Tahsildar, Lakshmapalli was called upon by the Collector to furnish the necessary information for preparing a register of Application for Petitioner's husband. After a good deal of correspondence a final statement was received from the Tahsildar on 5th September 1868. From an examination of the late Police Pons' Service it was found that about a year & a half was unverified by the record. The individual having died in July preceding, no affidavits were taken to verify the service.

6 His widow applied here, in March 1870, for disbursement
