The services of the withinmentioned individual having been partly verified from the records of this Office and partly supported by an affidavit together with statements of contemporary employees, he is eligible to the amount of gratuity under the old rules, set opposite to his name in column 11 of the register.

There is some discrepancy between the statement of service as given in this Register and his affidavit.

The applicant is not stated by the Master Attendant to have drawn any acting allowance when he retired from service.
