The services of the aforementioned individual have been verified partly from the records of this Office and entirely from those of the Collector, for which he is eligible to a gratuity of 6 months salary. He was thrown out of employ by the abolition of District Post at Siverton in the North West District, which has been done not under any order of Government but an arrangement of the Post Master General for the conduct of the Postal duties at that place by other means than the District Post Establishment.

The delay in submission of application is explained by the Collector in the foot note of this register.

The applicant does not appear to have drawn any acting allowance when he was thrown out of employ.
