GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

Read—the following papers :—

From the Collector of Coimbatore, dated 14th March 1871.

Report from the Assistant Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 9th August 1871, No. 41.

The services of P. Shaik Hyder, late district postal runner on the establishment of the Collector of Coimbatore. have been partly verified from the records of this office and from those of the Collector, and partly supported by his affidavit together with statements of contemporary employés. He is not eligible to compassionate allowance, as he ceased to do duty on the 18th September 1868, prior to the promulgation of the Secretary of State's despatch, dated 14th October 1868, No. 432, but will be eligible to a gratuity of Rs. 30, equal to six months' salary, under the old rules, should Government be pleased to accept the Collector's explanation given in his memorandum, dated 22nd July 1871, herewith accompanying, regarding delay in submission of application and in production of medical certificate.

2. The applicant is not stated by the Collector to have drawn any acting allowance when he retired from service.

Order—dated 13th September 1871, No. 468, Pension.

The Government consider that there is sufficient proof of the applicant's * service of 35 years 7 months and 17 days, but, as pointed out by the Accountant-General, he is not eligible to compassionate allowance, having ceased to do duty before such allowances were authorised.

* Pollachy Sheik Hyder.

2. The man, who is 60 years of age, was relieved from duty as a tappal runner on account of evident incapacity in September 1868. He should then have been sent for medical examination, but owing, it is said, to his not having applied till February 1869 and to his subsequent non-appearance, no medical certificate was obtained till February 1871. These delays were in great measure the fault of his superiors and are very unsatisfactory ; but under the circumstances of the case, the Government do not doubt that the applicant was really unfit for service when he ceased to do duty.

3. The Governor in Council accordingly sanctions under the old rules a gratuity of six months' pay, or Rs. 30, which may be disbursed to the applicant.

With reference to No. 22,

Although the applicants services were dispensed with on the 17th September 1868. He did not send in his application until 22nd February 1869. To ascertain the period of his services a reference had to be made to the old records both in the Huzur and Taluq and the list was finally

completed in October 1870. The man however did not make his appearance until February 1871. Consequently a delay took place in obtaining the necessary information required for a descriptive roll.

As regards No. 26.

The man being old and worn out, he was unable to perform his duties as District Tappal runner and the consequence was a great delay in the transit of the mail from Pollachy to Anamallay. This was especially brought to notice by the Deputy Conservator of Forests and the man's services were therefore dispensed with in September 1868. It was not thought at the time that he was entitled to pension, but on receipt of his application, and on ascertaining the period of his services, he was found subsequently eligible for pension, and accordingly a Medical certificate was obtained from the Civil Surgeon in February 1871.
