No. 233

Superintending Office of Revenue
Tanjore 5th June 71.

From

The Superintending Engineer-
Sixth Division-

To

The Accountant General-
Fort Saint George-

Sir,

With reference to letter from your office dated 29th March 1871, herewith returned, I have the honor to transmit the Pension papers of Mootoosawmy Vindachala Mudali and to furnish information on the points adverted to in the letter.-

The Certificate of age has been duly attested.-

Consequent on the arrangements it was necessary to make for filling up the Monigars place and which involved a transfer, Vindachala Mudali could not be removed from office immediately on the production of the Medical Certificate, for he had to remain until

until the man who came to relieve
him was relieved by a competent person
The Mooligan having been detained for
a comparatively short space of 25-
days after producing the Medical
Certificate the interests of Government
have not suffered, because the re-
tention of the Mooligans services till the
31st December has not entitled him to
a larger Amount of pension than he would
have been entitled to if he had been
relieved the day after he produced the
Medical Certificate -

Copy of G.O. No 924, dated 21 st
March 1868 is enclosed. -

There was no Mooligan of the name
of Vencatachala Mudali during the period
referred to, hence the entry of that name
in the Return for 1858 is evidently a
clerical error for Virdachala Moodali.

When the Return for 1859 was sub-
mitted in May of that year Virdachala
Mudali held for some time been
acting as the Mooligan of the Upper
Anicut on the joint Salaries of the Up-
pointments of Store keeper & Mooligan

of that Anicut under the Superintending of
the District Engineer his Salary being
drawn under the above mentioned
two separate designations pending
the Sanction of Government to the
Arrangement. - The Sanction not
having been received when the Re-
turn for 1859 was submitted, Virda-
chala Mudalies name did not
appear in the Return, but the appoint
ments of Mooligan & Store keeper were
entered separately in it - It is
these two appointments combined
which appear in the Return for the
following year viz 1860, under the
designation of Mooligan on Rs 10-12-
under the head Govindon Canery Co-
lagum the name of the limits in
which the Upper Anicut is situated.

The Niranikum Establishment
goes by no other designation in the
Tanjore district - Some Members
of this Establishment are the Shutter
men who regulate the Sluices &
others are watchmen or conser-
vators of the plantations of the
different Rivers heads -

I

Proceedings of the Madras Government, Public Works Department,
21st March 1868.

No. 473. Read the following Proceedings of the Madras Government in the Financial Department, dated 14th March 1868, No. 146:—

Read the following letter from the Secretary to the Government of India, Financial Department, to the Chief Secretary to Government, Fort St. George, dated Fort William, 18th February 1868, No. 971.

1. I am directed to acknowledge the receipt of your letter, dated 31st December 1867, No. 587, submitting a proposition for admitting certain classes of servants employed in Anicut and Conservancy Establishments to the benefits of the Uncovenanted Service Pension Rules, and furnishing a statement of the number of such servants, their pay, and the duties of each class.

2. In reply, I am desired to state that most of the servants included in the statement, viz., those receiving more than 10 Rupees a month, may, with reference to the duties assigned to them, be deemed eligible to pension under existing rules, and that a formal declaration of their admission to the benefits of the Uncovenanted Service Pension Rules appears therefore to be unnecessary.

3. Regarding the men who receive Rupees 10 a month and under, I am to state that there seems to be no sufficient reason for making an exception in their favor.

Ordered, that a copy of the above letter, and of the statement referred to, be furnished to the Accountant General, Madras, for information.

Communicated to the Public Works Department, with reference to the Proceedings in that Department, dated the 19th December 1867, No. 3,919.

To the Superintending Engineers,
" Controller of Public Works Accounts,
To Captain Kennedy,
} With G. O., No. 3,919 of 1867.

Exd. S. T. Augustin.

Read the following letters.

No. 34. From Colonel C. E. FABER, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 6th January 1859, No. 6817.

I have the honor to forward, for submission to Government, copy of a letter* from the Acting District Engineer of Tanjore, recommending the consolidation of the salaries of the Store-keeper and Monigar of the Upper Coleroon Annicut, the former of which is Rupees 5¼ and the latter Rupees 5½ per month.

* No. 245, dated 30th December 1858.

2. These persons belong to the old Neeranicum Establishment transferred to the District Engineer's Department and as the arrangement suggested by Captain Moberly would certainly be conducive to the efficiency of the general Department, I beg strongly to recommend it for sanction..

3. The situations are, it seems, vacant at present so that no difficulty exists in making the change.

Letter from Captain F. J. MOBERLY, Acting District Engineer of Tanjore; to Lieutenant-Colonel E. LAWFORD, Officiating Chief Engineer, dated Trichinopoly, 30th December 1858, No. 245.

I have the honor to state, that there are at present one Store-keeper and a Monigar at the Upper Annicut, the former on the receipt of Rupees 5¼ and the latter Rupees 5½ per mensem. The Store-keeper has very little to do as there are no Stores of importance at the work, and the Monigar is paid quite inadequately for the responsibility of his charge. Lieutenant Moore, the late Assistant Executive Engineer, in bringing this to my notice lately, has very strongly recommended "that the pay of the two appointments be amalgamated and that a Monigar be appointed on the increased salary of Rupees 10¾, as the present pay is inadequate for the responsibility of his charge; this was done with the two Monigars of the Vennaur Head and Grand Annicut some time ago at the suggestion of Colonel Lawford," and as the proposition appears to me to be worthy of consideration, I beg to recommend the same for your sanction.

2. The incumbents of the 2 offices in question were dismissed by me at Lieutenant Moore's recommendation for repeated acts of carelessness, but I propose as they are old servants to re-employ them after some interval of suspension on works of less responsibility.

No. 35. From Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 14th April 1859, No. 9557.

With reference to the Memorandas dated 21st January, 9th February, and 2nd March 1859, I have the honor to submit, for the information of Government, copies of the correspondence noted in the margin, relative to the consolidation of the salaries of the two Monigars of the Vennaur Head and Grand Annicut in the District of Tanjore.

Nos. 104 and 111, dated 2nd and 7th April from the Collector of Tanjore. No.— dated 25th April 1850 from Captain Lawford with 1 copy of Statement.

Letter from W. M. CADELL, Esq., Collector of Tanjore; to Captain R. F. OAKES, District Engineer, Tanjore, dated Vellum, 2nd April 1859, No. 104.

In reply to your Predecessor's letter of the 22nd February last, No. 438, I have the honor to inform you that from the records of this Office, it does not appear that any application was either made to the Board or Government, or the formal sanction received for the amalgamation of the salaries of the establishment referred to.

2. From an order issued to the Thasildar of Trivady under date the [illegible] April 1850, it would however seem, that the alterations suggested in Major Lawford's [illegible] the 25th Idem No. 219, alluded to in your Predecessor's communication under [illegible] place at the time ordered to be carried out.

Letter from W. M. CADELL, Esq., Collector of Tanjore; to [illegible], Chief Engineer, dated 7th April 1859, No. 111.

With reference to Extract from your Proceedings under date [illegible] No. 3233, and the communication of the Superintending Engineer, Southern Circle, [illegible] Idem No. 9137, I have the honor herewith to forward for your information [illegible] which I have addressed to the District Engineer on the 2nd Instant, in reply to [illegible] him on the same subject.

2. From this you will observe, that as far as the records of this [illegible], no application was made to the Board or Government, nor does formal sanction appear to have been received for the amalgamation of the salaries of the Establishments at the Vennaur Head and Grand Annicut; but that the alterations recommended by Major Lawford, the then Civil Engineer, were at the time simply carried out.

3. A copy of this Officer's letter on the subject, addressed to the then Collector, Mr. Bishop, as also of its accompaniment are herewith enclosed.

Letter from Captain E. LAWFORD, Civil Engineer, 6th Division, to J. BISHOP, Esq., Collector of Tanjore, dated 25th April 1850.

As the new Dams at the Vennaur Head will require a re-arrangement of the Sibbundy for that and the neighbouring works, I have the honor to submit for your consideration, a list, which will, I think, afford an efficient Establishment without entailing increased expense to Government.

Statement shewing the present and proposed Sibbundy of Grand Annicut, Vennaur Head and Atty Amay.

All Cotaus to act as Cavalgars and to work at the plantations, planting Durbah grass, trifling repairs &c., under such orders as the Collector and the Civil Engineer may give.

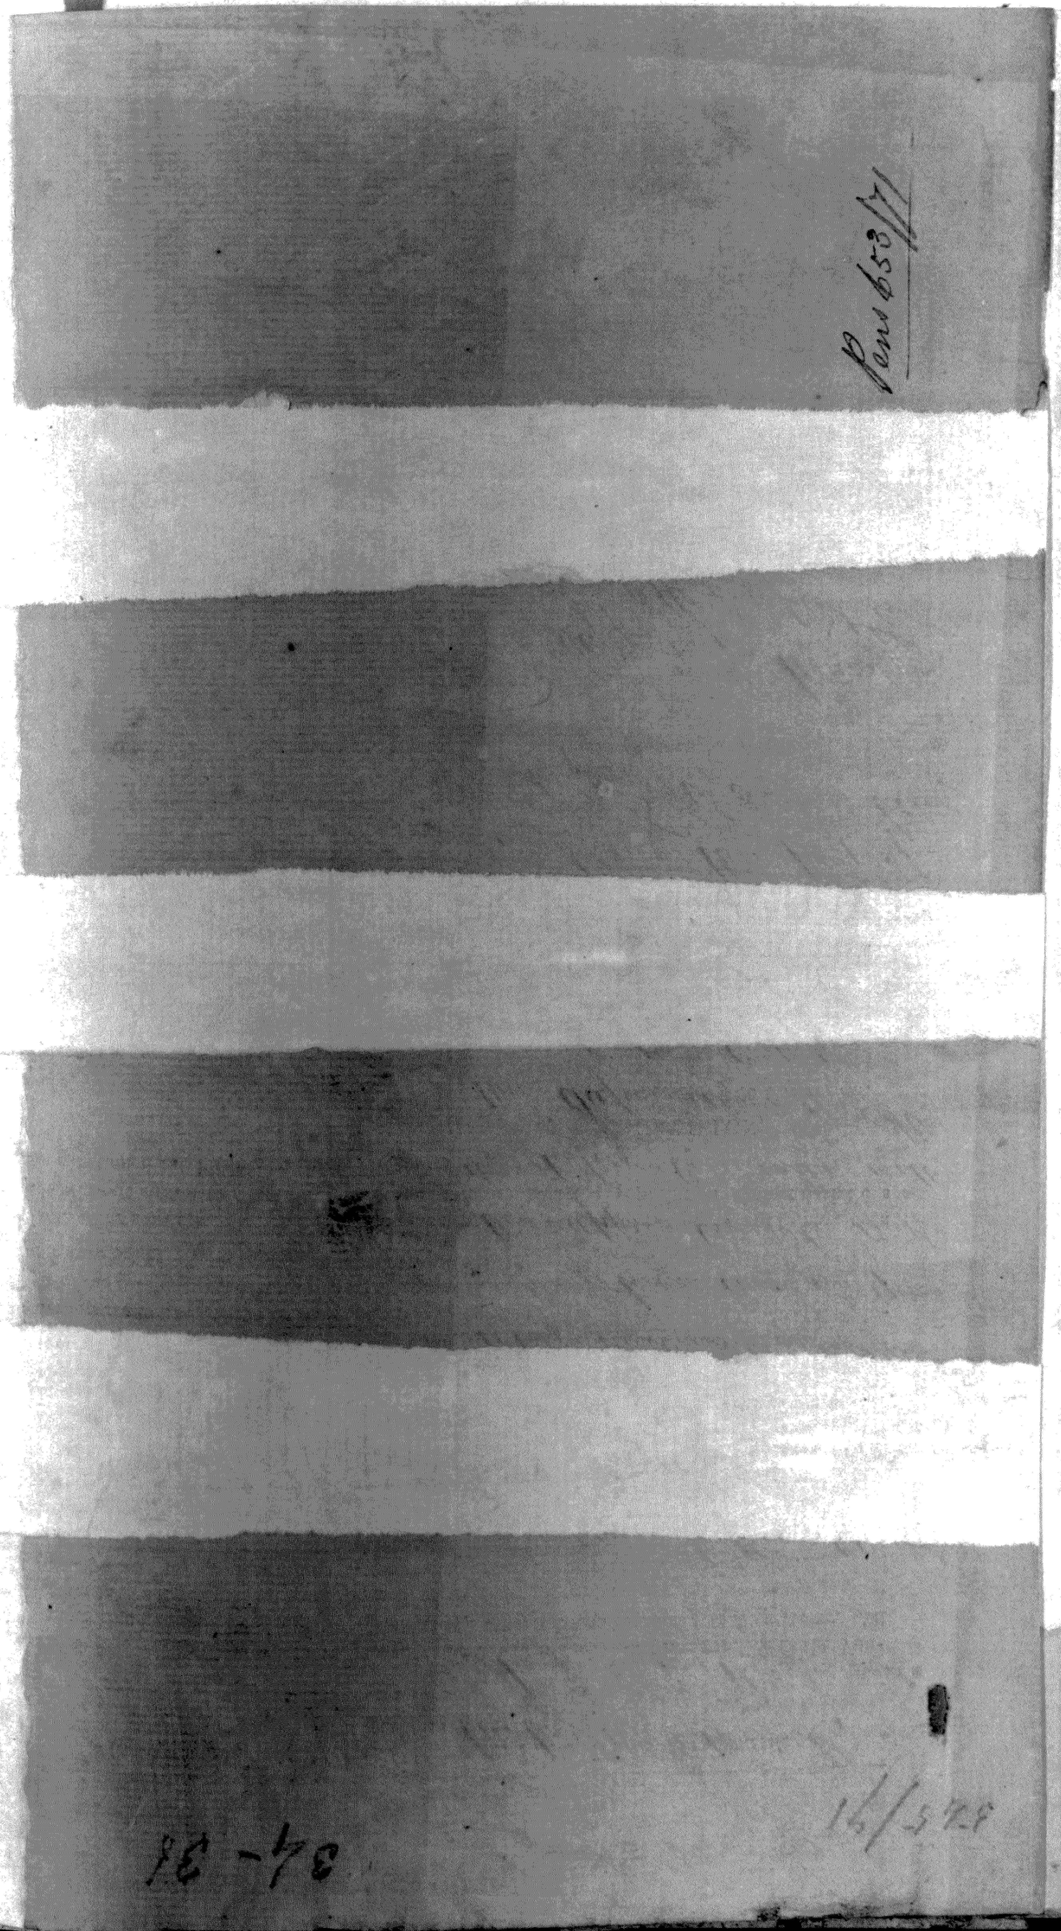

Tappal to be kept up as usual between Cusbah and upper Annicut. Cotaus not to be sent beyond Podoochuttrum East, or upper Annicut West, without the Collector's orders. No fresh Cotau to be employed without the Collector's order, on a report of his being an able bodied man, willing to work.

No. 36. ORDER THEREON, 6th May 1859, No. 1067.

The Government authorize the abolition of the separate Office of Storekeeper of the upper Colleroon Annicut and the addition of the salary of that Office (Rupees 5-4) to that of the Monigar of the Annicut, now (Rupees 5-8) as recommended in the first of the letters above recorded. The future salary of the Monigar will be Rupees 10-12.

2. The similar alteration in the establishment at the Vennaur Head ought not to have been made without authority; and the Government desire that the prohibition against deviations from sanctioned establishments be strictly obeyed.

(Signed) J. D. BOURDILLON,
Secretary to Government.
