Extract from the Minutes of Consultation under date the 7th March 1845.

1 Under the explanation furnished by the Principal Collector of Salem in the letter which accompanied the foregoing Proceedings, the appointment of a separate Writer to pay the military Pensioners in that District seems necessary, and as there was a person actually employed on the duty since the 1st April 1844, there would appear to be no objection to the established allowance being granted from the above date, but as the allowance is purely of a military nature, and authorized by established military Regulations, the most Noble the Governor in Council resolves to issue his instructions in Compliance with the application of the Principal Collector of Salem from the Military Department.

Sir,

I have the honour to submit the accompanying Register of an application for Superannuation good Service Pension on behalf of Guntala Lutchma Naidoo, English Record Keeper in my Office.

2 The applicant was entertained on the 1st of April 1844 as a Military writer, his former appointment as Hazur Sayer writer having been dispensed with on the abolition of the Sayer Establishment. You will observe from the enclosed copies of correspondence that the applicant, while doing duty in the Sayer Establishment, was also entrusted with the preparation and keeping of the accounts connected with the payment of Military pensioners in this Collectorate, and that,

on

on the abolition of the above Establishment, he was retained as a Military writer under the Sanction of Government. There was consequently no break in his Service from 1st April 1844 to 15th July 1846.

3 The revision of the Revenue Establishment in 1860 accounts for the reduction of the applicants' Salary from Rs 50 to 40 on the 1st of May 1860.

4. I have been unable to submit this application earlier, as the Services of the applicant had to be verified from the records extending over 30 years.

I have the honour to be
Sir,
Your Most Obedient Servant
