Proceedings of the Madras Government, Pension Department,
30th October 1871.

Read the following letter from the Inspector-General of Police, dated 17th August 1871, No. 5339.

ORDER THEREON, 30th October 1871, No. 521.

Under Section 1 of the Police Service and Superannuation Rules, His Excellency the Governor in Council is pleased to grant to the individuals noted in the margin, who have been discharged from the Madras Town Police as unfit for further duty, after serving for the periods specified, gratuities of the amounts noted opposite to their names.

2. With reference to Nos. 3, 4, 5, and 6, it is observed that they have been recommended for gratuities of twelve months' pay, though their periods of service are in excess of twelve years. The Superannuation Rules contain no such restriction, and they are accordingly eligible, respectively to maximum gratuities of Rupees 168, Rupees 91, Rupees 126, and Rupees 98. The Government have, however, reduced the gratuities of Nos. 3, 4, and 6 to the amounts above sanctioned, Nos. 3 and 4 having undergone the penalty of suspension, and No. 6 having been three times degraded for drunkenness and neglect of duty.

3. The sanction of the Government of India will be asked for the admission of Constable Calastry Garoodachalam to the pension to which he would have been entitled had he served for one month and twenty-two days longer.

Sir

In forwarding roll of men applying for Gratuity or Pension I have the honor to recommend that Government should be moved in consideration of the peculiar circumstances of the case to grant Constable C. Gerovdachellum No. 213 a pension instead of a Gratuity.

2. This Constable feeling that his strength was failing him and that he was no longer equal to the duties of a Policeman insisted on leaving the service although it was pointed out to him that he was forfeiting his pension inasmuch as two months out of the 15 years he had

had served did not count in his favor
in consequence of his having been under
suspension for that period.

3. He now of course regrets his hasty decision - His conduct with the exception of the one offence for which he was severely punished. Viz: neglect of duty when Guard=ing convicts has been good - His actual period of service counting for pension is

Your Memo. No 5064 d/ 4th August 71

Has the honor to inform in reply to the above reference that the delay in submitting the Gratuity Roll was occasioned by press of work in the Office arising partly from the absence on leave of the Cash keeper & partly from the imperfect state of the Records to be in former years which necessitated reference to various confirmatory documents.
