Vellore,

To
The Examiners of Claims
Madras.

The Humble Petition of Syed Abdul
Kader Sahib late 4th Vernacular Clerk
of the Collectors Office Vellore District
now ordered to take Pension

Your Respectfully Sheweth.

That the Petitioner was under the 55 years of age directed by the Collector to retire from service, and he did accordingly apply for pension. The Collector, Mr G. Vans Agnew in submitting the application to the Chief Secretary to Government, has your Petitioner learns left the amount of pension to be recommended, blank, remarking that your Petitioner was registering Clerk, and in that capacity was in the habit of giving information to parties and deriving benefit therefrom, and he (Collector) believes the fact to be known of being [illegible] in his own individual.

2 Your Petitioner has served for 33 years 3 months and 6 days without any break in the Service, and the late Collectors Mess[rs] F.B. Elton, J. W.B. Dykes and J.A.C. Boswell have recorded favourable opinion of him and promoted him when occasion occured. Your Petitioner has applied to the Collector for an Extract from the Conduct Register of his Service and Character which he also forwards for your perusal. Your Petitioner begs to enclose Copy of a Testimonial of Character given to him by the Honble Sir Stadar.

3. Your Petitioner begs to explain that during Mr. Dykes time it was the practice to open all covers in his presence then to register them and finally to send them to the different Departments. During Mess[rs] Boswell, Mr Bell and Masters time it was the practice for the Moonshee to open all Covers before the Collector and

and send them for registry after they are disposed of since Mr Agnews arrival all covers are opened by the assistant a Collector by whom they are initialed and sent to the Honble Sheristadar, who gets them registered in his presence and distributes them among the different Departments. All these Orders or Petitions after being disposed of are sent to the Dumasta, the petitioner has nothing to do with them. He consequently could give no information to parties

Your Petitioner begs to state that since Mr Agnews arrival all orders on Petitions are passed in English a language to which the Petitioner is a stranger on the English notes prepared in the Office and as stated above are not sent back to Petitioner. The Petitioner respectfully begs to represent that no complaint has been preferred against him nor any inquiry instituted, and Mr Agnew himself does not refer to any. It is for your honor to consider whether Mr Agnew is justified in making the remark he has been pleased to make. The Petitioner humbly begs to assure your honor that during the long period of his Service there was not even a single complaint preferred against him, and that he never had the misfortune of staying even a pice as fine. He further begs to add that Mr Dykes who was Collector of the District for nearly 10 years and whose acquaintance with the Petitioner was longer in duration than that of Mr Hans Agnew, speaks very highly of the Petitioners character for honesty.

Petitioner in Conclusion respectfully begs to state that he is very poor and encumbered with a large family and very earnestly and respectfully solicits that no order will be passed in regard to his pension without a perusal of the Conduct Register

Your Petitioner has sent a Memorial to the Most Noble the Governor in Council on 2 Rupees Stamp Paper on the subject and one to the Chief Secretary to Government and humbly solicits your honors favor

Remarks by the head of the Office on past character and conduct of the applicant throughout the service.

The applicant has served Government 33 years without any break but it does not follow from this that his character & conduct were good. He was registering Clerk & from what I have gathered about him I firmly believe that he traded on the interception of communications addressed to the Collector.
