No 3001 of 1871/72

Financial Department.
Dated Bombay 7th October 1871.

The undersigned has the honor to state that the Descriptive Roll of Timmaje Daso forwarded to Government with this office letter No 5798 dated 23rd March 1871, was prepared from the statement of services of that individual furnished by the collector of Kulladgher on the 26th December 1870, which was returned to this office with Government Resolution No 284 dated 23rd February 1871 sanctioning the grant of a pension of Rs 8 per mensem to that individual, in which the scar is entered as being on the left thigh. The discrepancy pointed out by the Government of Madras is accordingly corrected in the statement above alluded to.

No 1129 of 1871.

Kulladgher collector's
office 20th October 1871.

With reference to the above the collector begs to subjoin the following explanation from the Hoozoo Deputy collector

"The Deputy collector has the honor

honor to explain that Timajee Dassoo's
descriptive Roll was prepared in his
presence as stated by him. The cause of
discrepancy he believes to arise from
their being two scars, one on the right
thigh and the other on the left, and the
pensman having only striped that
portion of his cloth to exhibit one of
those marks. The undersigned was
not aware that Timajee Dassoo
had a similar mark on the right
thigh which being a large and more
conspicuous one, would no doubt
attract the attention of the Deputy
Collector Bellary. Had there been no
scar on the left thigh the pensman
would not possibly have signed
the descriptive Roll in question
