Memorandum

The Manager begs to bring to the notice of the Chief Secretary, that on the Evening of the 17th Ultimo the Original order of Government in this Department, on an Extract Minutes of Consultation of the Military Department, relative to the Baggage of Cadets, was handed over to Surjeesee one of the Peons of the department for delivery to the Office of the Collector of Sea Customs. Fifteen days having elapsed, and the Original Document not being returned from the Office of the Collector, it was sent for on the 31st Ultimo, when in reply it was intimated that no paper of the kind was received. On the Peon being called to account, he declares that he cannot state positively as to the delivery of the paper in question, and that owing to the number of days that has elapsed he cannot account for it.

(Signed) J. G. Clarke.

Let him be fined one Rupee, eight annas, and be informed that similar conduct will render his dismissal necessary.

The services of the withinmentioned individual have been verified entirely from the records of the Government Office, and partly from those of this Office. There is an unexplained intermediate break of years 9-2-6 vizt from 26th August 1843 to 31st October 1852, which invalidates the applicant's claim to full gratuity, but for his last service of years 18-8-25, he is eligible to a gratuity of Papers 35, equal to 5 months salary under the old rules.

It is observed that the past character of the applicant, is not given in Column 10 of the Register—
