Explanation of Column 8.

The applicant was suspended for 3 months from 11th July 1871 for having incorrectly prepared the sale notice No 7, for having inserted wrong sums in the statement prepared by him of arrears of Revenue due by certain defaulters and for having delayed the service of demand on them. Prior to the expiration of the period of suspension he was restored to his post on the 22nd August 1871 and was granted Medical Certificate on that date. The period from 11th July to 21st August has therefore been excluded from the period of service, but it has been shown as a break in Column 8. The translations of the orders issued on both occasions are herewith sent.

Recommendation

The applicant seems to have borne a good character throughout his service. He has served the Government for upwards of 34 years though nearly 10 years of that period

were spent in a grade not qualifying for pension
 And in service before 22 years of age - Deduct-
 ing these as well as the time spent on leave, the
 net period of service amounts to 24 years 2 months
 And 14 days - He is now more than 52 years
 old and being physically disqualified for
 further service, as will be seen from the accomp-
 anying Medical Certificate, the Collector re-
 commends that a monthly pension of Rs. 6-10-00
 being one third of the average salary drawn by
 the applicant during the last 5 years be granted
 to him from 22nd August last the date of his
 Medical Certificate, the applicant having been
 under suspension from 11th July to 21st August
 as explained in the preceding Column.

It appears from your long and man-
 ginally quoted, that Arumachella in only 2 1/2
 Gunacts of your Talag entered the list to
 assessment of the lands in the Column headed
 Amount to be paid by the purchaser in four
 of the notice No 7 issued to Arumachella
 Village, and 1 of those issued to Mattambondy
 Village and omitted to mention any thing
 about the portion to be paid by the purchaser.
 It also appears that he has prepared the
 sale notice 4 months after the expiration of
 the time mentioned in notice No 5 issued
 on account of the said arrears.

It further appears that in the list
 prepared by the said Arumachella in only
 for the Revenue arrears due by Arumachella for
 of Kolucoodi and Kuppoo Royer of
 Aradaputt, he has entered Rs. 36-6-4

as means against Arumachella Doyen
in lieu of the Council sum of Rs 30-5-0 (this
difference being caused by a mistake
in addition) and against Koppoo Doyen
Rs 42-1-4 (including Rs 5-11-0) and
in the budget Rs 42-1-4. Thus depositing
from one another.

3. Also he seems to have neglected
your order to prepare demands for the arrears
due by the Althappa odigon of Paramanthe
Village, nor has he brought the matter
to your notice while you are engaged in
various business; thus he has caused
delay in the matter.

4. The said Arumachella Doyen
has often been by fire on 6 differ-
ent occasions prior to this for neglect
of his duty. Besides it has come to my
knowledge on several occasions from
my observation and experience of one year
that

that he is careless in his work. While such
is the case you have said in your letter
of 20th Feb 1898 that he may be excused on this
occasion, this being the first time he has
been in error.

This is not true. If the Government
do their work with care, there will be no
room for the Taluk to come to a bad condition.
It is surprising to me that although
you are liable to foresee dangers that
may be caused to you by your subordinates
still you do not take them or some other
warning and give your due attention
to the work they must perform, and when
the work falls into arrears, and ex-
planation is asked, you habitually write
say "I have erred, please excuse me."

As a warning
to others, Arumachella Doyen
is suspended from the Govern-
ment service for 3 months as
he

he has been Careless in the discharge
of his duties. After the expiration of
the time of suspension he will be trans-
ferred to a proper post.
