I have carefully examined Casar

unfit for further service, from old age,
and infirmities, or from premature
decay and infirmity, the result of
old age not, in my opinion, attri-
butable to intemperance, or other

Chief Secretary to Government,
Marine Department,

Sir,
I have the honour to sub-
mit an application, in the prescribed form, from the Master Attendant Locanada, for Compassionate allow-
-ance on behalf of Coppisetty Terapati, aged about 75 years, late a flag lascar attached to his Department.

2. It will be observed that the service of the lascar extends over a period of 40 years, during which time he is reported to have borne a good character. Unfortunately the

Accountant General's Office

the records of that office do not show the date of his entertainment, but the present Master Attendant of Locanada asserts that he remembers him, as having belonged to that Department, nearly 30 years ago, and besides there is a declaration attached to the application, signed by 5 respectable old inhabitants of that place and Coringa, from which it appears, that he was employed since the time the late Captain Charles Eaton was the Master Attendant of Coringa, which was 40 years ago.

3. The Medical Certificate, also forwarded, shews that the man is incapacitated from old age to serve any longer, and in consideration of his long service and good character, I beg to recommend that he be granted the usual compassionate allowance of (4) Four Rupees per mensem, $\frac{2}{3}$ of the amount being debited to the General Revenues and

$\frac{1}{3}$

$\frac{1}{3}$ to the Port Fund, as was done in respect to his salary.
