PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the Ins.

to General of Sails, Ootacamund, to the Chief Secretary to Government, Fort Saint George, dated 20th November, 1871, No. 194.

F. D.
18th October 1871
No. 576.

With reference to the order noted in the margin, I have the honor to report upon the cases of Mr. Charles Scott, Sailor at the Central Sail Can-
-nauore, Tippos Saib, Deputy Sailor at Madura, and Sota Venkiah, Deputy Sailor at Vizagapatam.

2. Mr. Scott is reported to be an excellent mechanic, and to speak the following lan-
-guages fluently viz Hindoostanee, Tamil, Malayalam and Canarese. His con-
-duct has been exemplary and he is ac-
-tive and energetic. A certificate from the Medical Officer to the effect that Mr. Scott is in good health and fit for

for further service is enclosed. Under these circumstances and as Captain Neil states that Mr. Scott's services are valuable to the Sail, I recommend that he should be permitted to retain his situation so long as he continues to be reported efficient.

3. Tippos Sail Deputy Sailor at Madura was examined by a Committee on the 16th ultimo, and was pronounced to be fit for a further service of one year. His age is believed to be about 58. The Superintendent reports that Tippos Sail is zealous so far as his age will permit, but that he does not possess the energy which is desirable. I therefore recommend that this Officer should either be pensioned or receive a gratuity according to the length of his service.

4. Tota Venkiah Deputy Sailor at Vizagapatam is about 56 years of age. His sight is bad especially at night and as he cannot be considered as fit for further duty, I recommend that

he also should be admitted to Pension or to gratuity according to circumstances.

5. The Certificates in the cases of the two Deputy Sailors are also enclosed.

Order thereon 15 December 1871 No. 803.

Mr. Scott's exact age is not stated in the Returns furnished by the Accountant General, but he is supposed to have passed his 55th year. The Government resolve therefore to sanction his retention in the public service for a period of five years, or until he attains his 60th year, when, should his further retention in Office be considered desirable, the Inspector General of Sails will submit another application on his behalf, in order that the sanction of the Government of India may be obtained for such further period as the Inspector General may consider it advisable to employ him.

2. The necessary applications for pensioning Tippos Sail Deputy Sailor at Madura, and Tota Venkiah Deputy Sailor at Vizagapatam, will be submitted to the Pension Department, through the Accountant General.
