The Honorable Company's Government

Arzi of Ahamad Alli, Monegar
of Kadaba &c in Buntwal
Taluk

The Company's equitable and charitable Government have been rewarding those who rendered them timely aid, by recommending them to Higher Authorities for promotion to higher offices, and conferring on them suitable rewards, jahgeers and promotions in the service. Such being the case, I have since my appointment to the public service, been looking to it as my chief means of livlihood, and have, to the utmost of my abilities, given, from time to time, information to Government favorable to their interests, and have thereby contracted enmity with the factious parties; and owing to the acts of violence committed by them against me, have endured hardships, bodily sufferings and pecuniary losses, as is well known to the following gentlemen, viz: Mr. Malcolm Lewin, Principal Collector, Mr. John Vaughan, First Judge of the Provincial Court of the Western Division, who was deputed by Higher authorities as Commissioner to hold an investigation, Mr. Thomas Lamsden Strange, Assistant Judge of the Auxiliary Court at

Tellicherry,

Tellicherry, Said Abdul Kassim Saib, Mufti Sadr Amin of Mangalore Zillah, Colonel Williams of the Martial Court who came to this District from Bangalore, Mr. Grant, Commissary, Mr. Maltby, Sub Collector, and Dr. Palmer; but up to this time the Govt. have not shewn any consideration or pity on towards me. I therefore beg briefly to represent below the troubles I took, and the endeavours I made, solely depending upon this Government, as well as the sufferings and hardships I underwent in consequence, at the hands of the insurgents.

1. When the troops of the Company's Government formerly laid siege to Coorg, all the people residing in my Chuckbandi contemplated deserting the country for fear of the Coorgs. Having come to know this, I, with the view of preventing any harm being done to them and of affording the necessary assistance to the Company's Government, collected some good marksmen, as also the men of the temporary establishment entertained by Govt., kept sufficient bands of men at the several openings into the place and on the frontiers, encouraged the people who wanted to desert the place to remain, and I myself with my family remained among them, and did not allow them to leave the place. I also took measures to obtain from time to time

information

information as to the movements of the Coorgs, and immediately informed the same to the Tahsildars and Peshkars, for communication to the authorities of this Government. The fact of my having done so will be known on a reference to the reports which will be forthcoming on the records of the Buntwal Taluk, those of the Huzur having been destroyed by fire. With the view of taking more effective measures in the matter above mentioned, I communicated also direct with Mr. Viveash, the late Principal Collector of this District; and I therefore think that the same will be known to that gentleman also. Besides, some days after, a suspicious character, assuming the name, Aparampara Maha Swami, came to Subramanya, received various gifts from the people who gathered round him, and collecting a large number of people, received great honors. Apprehending from his behaviour, that he had in view some evil design & thinking that I should immediately bring the matter to the notice of the authorities, I took with me Shrinivas Rau, late Peshkar of Ooperangady and the present Sheristedar of Buntwal Taluk, and his Moonshee, Narnappa who is at present employed as Moonshee in the Mangalore Taluk, and gave them an opportunity of secretly watching his proceedings. He was afterwards arrested and confined in the Mangalore jail, and subsequently released.

Since

Since my appointment to the present post, though I have suffered much from long illness, owing to the water and climate of the place not agreeing with my constitution, still I cherished the hope that, if I looked to the Government service alone, my case would at some future time be taken into consideration, and I be promoted. While so, I was apprehended, beaten and cruelly treated during the recent disturbances, by one Biranna Bunta, who came there as a Subadar of the insurgents, and his followers. Besides, I was also apprehended a second time by Putta Basappa, who assumed the name, Kalliyanappa, and carried on proceedings under the name, Aparampara Maha Swami, while he was retreating, and was cruelly treated by him; and he also set fire to my house as also to the public Bungalow &ca. All these facts are already known to the Government, as they were communicated to them in detail. I therefore think it needless to write more fully on the subject here. I may however mention that it was in consequence of my having made endeavours to arrest Aparampara Maha Swami mentioned above in the first para, these persons bore malice against me and ill-treated me, as mentioned above, and that as at the time they were beating me, they alluded to the above matter, I believe that the very men who were
present

present at first with Aparampara were concerned in the present insurrection. Even to the present day I bear scars on my body of the wounds inflicted on me by them.

As I believe that several persons of my Chuckbandi were concerned in the said insurrection, and as also in cases disposed of by me with due regard to justice, some persons against whom the cases were disposed of, bore malice towards me, in consequence, and as many persons of the place also bear enmity towards me, it is very difficult for me to remain in that forest tract with my family.

Had the Government taken into deliberate consideration the fact that though the insurgents put me to great trouble, in consequence of my having kept the interests of Government in view in the discharge of my duties, looking to the Government service alone for our support in future, as our ancestors also did, I had patiently put up with the same and conducted myself uprightly to the best of my power, they would have fully pitied my case on account of the hardships I had undergone, and my family and I would have been in better circumstances. But it is a source of grief to us, that the same has not been taken into consideration,
which

which I attribute to my ill luck. The Hazur and Taluk officials are aware of the hardships I endured. I therefore pray that your Honor, the dispenser of justice, will take into consideration all the circumstances above mentioned and protect me by transferring me on promotion to some other place.

As my period of leave on substitute employed on my own responsibility expires today, I pray that, should there be no post of higher salary vacant, I may be transferred to any Station on the Sea Coast on the present salary.

Signed/ Ahamad Alli

With reference to the order endorsed on Petition No 101 addressed by Ahmed Alli, Monegar of Kadaba &c in the said Taluk, I beg to state that it is true that during the insurrection raised by Kalliyanappa last year, the insurgents laid hold of the Petitioner and beat and severely ill treated him. For the past four years he has been ill, owing to the water and climate of Kadaba and other places in that direction not agreeing with his constitution. He now asks for a promotion, and requests that in case there is no vacancy at present, he may be transferred to some station on the Sea Coast. I am of opinion that he may be so transferred. I beg to return enclosed, the original Petition, and shall act up to the orders you may issue.

Sir,

In submitting the accompanying application for a Superannuation Pension on behalf of Hudroly Ahamad Aly, late Assistant Salt Superintendent of Baje in this District, I have the honor to state that the delay in its preparation was caused by numerous references made to the Taluks to verify his long services which extend over a period of nearly 42 years, and some of which it was impossible to check in my Office, owing to the destruction of the earlier records during the Coorg Insurrection in 1837.

From subsequent correspondence it appears that the floor of the Kotaur was raised to prevent the Salt becoming damp. The deficiency found in the Kotaur in applicant's time may therefore be attributed to natural causes.

Has been fined five times during his long Service for irregularities. A translation of a petition addressed by the applicant in 1838 to Mr Blair, the then Principal Collector, together with the Tahsildar's report, is enclosed.
