J. B. Pennington Esqre
Acting Secretary to the
Board of Revenue.

Honored Sir,

I Kistnajee, Jamadar of the Board's Office, now on leave, beg to submit the following lines for your and the Honorable Board's gracious consideration.

I am now 77 Years old & have served Government for no less than 5 Years all in the Board's Office. On different occasions I have travelled great distances and to distant Countries in the service of distinguished Officers of Government on undertakings not the least hazardous or fraught with danger. I accompanied Sir Thomas Munro in his tour through th Northern Circars, Mr. Ruſsell when he went as Commiſsioner to Bengal and again the same Gentleman when he was deputed to proceed to Kimedy Gumsur & Palconda to quell the insurrection in those localities

or

On both the occasions on which, I accompanied Mr. Ruſsell, Kandi Narasinga Row late Head Sheristadar of the Board of Revenue followed the Camp and it does not need to be specially mentioned here, that it was for services rendered on those occasions and in consideration of the hazardous and dangerous nature of the undertakings that Government were pleased to bestow a title on Narasinga Row and award him a liberal pension for three lives

For my own part, the duties n which I was then engaged did not less xpose me to danger. Night and day I kept sentinel watch over Mr. Russell and was Charged with the duty of receiving and delivering to him all expresses received to his address irrespective of what time of the day t was. I have still got with me the sword nd daggers given me at the time to protect my own person in the discharge of my duties. At this distance of time it is scarcely poſsible or me to describe how precarious our lives were in those troublous times and troubled

Country

Country while engaged on our special duty, and it is hardly necessary to mention the thousand and one, dangers with which we were beset.

I am sure that if I had completed my pension service when Mr. Ruſsell left this Country he would have endeavoured to secure to me also, some special recognition of my services at the hands of Government. But I had not attained that service, and I was moreover mourning at the time over the loſs of a devoted brother, so that I failed to take any measures.

Basavaya, a Peon of the Board's Office 1838.
Rangappa Head Peon Government Office, about the same time.
Again in 1855 for a Peon in the Office of the Chief Engineer. (name not Known).

For services, which I will not hesitate to rank as inferior to my own, Government have been pleased in the case of the several individuals noted in the margin to sanction a special rate of pension.

Though as Jamadar (which post I obtained on the recommendation[x] of Mr. Goldingham whom I had accompanied to the Northern circars), I draw a salary of Rupees 15, still as belonging to the Claſs of "Peons," I would under the usual pension rules, be entitled only

to

[x] See minutely the Commiſsioner of the Northern Circars recorded in 1855.

to a small compassionate allowance in common with any other Peon on a far smaller pay. I doubt not that on a proper consideration of my long services the Board would themselves feel such a small gratuity to be a very inadequate recognition and I therefore beg that they will see fit to recommend my case to the favorable consideration of Government and obtain for me a full pension.

At my advanced age and for the few years that I may yet live it will be a great consolation to me to receive this mark of favor at the hands of Government whom I have zealously served for 50 Years of my life.

I enclose Copies of testimonials given by the several Gentlemen under whom I have served from time to time.

To,
The Accountant General

Sir,

With reference to para 2 of the Notification of the Financial Department, dated 25th November 1868, No. 3,272, published at Page 995 of the Fort Saint George Gazette, dated 15th December 1868, I am directed by the Board of Revenue to request that you will, after verification, submit for the sanction of Government, the accompanying application for a compassionate allowance to Dangay Kistnajee, Jamadar on their Establishment.

2. The applicant having completed upwards of 49 years service, will be entitled to a Compassionate allowance of 4 Rupees per mensem. But the Board in consideration of the long and good service of the applicant beg to repeat the recommendation made in their Secretary's letter No. 898, dated 20th February 1860, with the proviso, however, that he should be allowed a pension on half pay, as a special case under the Resolution of

of the Government of India dated 14th March 1870, No 1795.

4. He has served Government well and faithfully (and latterly perhaps even beyond his powers) for half a century, and is probably not less than 74 years of age, so that he is not likely to enjoy the bounty of Government for many years, and the Board strongly recommend that a marked distinction may be made in disposing of his claim. There is little fear that many claims so strong will be evoked by exceptional liberality in this case.

5. The necessary medical certificate is herewith forwarded.
