SIR,

With reference to the concluding para of G. O. N^o. 66 dated the 23rd instant, I have the honor to state that the Assistant in charge of the Pension Department of this Office having allowed large arrears to accumulate owing as he asserts to press of work, afterwards committed an error of judgment in respect to the mode of bringing these arrears up having in October last divided the arrears from the current work and set the clerks assigned him upon each separately, instead of clearing off all arrears first before touching cases lately to hand.

2. On the matter coming to my notice I expressed my displeasure at this mode of procedure and at once taking the work into my own hands have brought up all arrears.

3. I shall take care that none again accumulates the strictest Orders having been issued to all the assistants that the work in every Department is to be kept up to the day and that if circumstances should at any time prevent this order being carried out the matter is at once to be brought to my notice.

I have the honor to be
Sir

Your obedient servant
