To,
The Accountant General

Sir,

I have the honor to forward herewith an application for gratuity on behalf of Cháganti Subbárāyudu, late Muchi in the Inám Department, who has been thrown out of employ in consequence of reduction in the Establishment.

2. The delay in submitting this application was owing to the difficulty in ascertaining the period of his service in the Revenue and Settlement Departments, Godavery. It has been explained to him that the acceptance of a gratuity carries with it the forfeiture of all claims to Pension for previous service, and that previous service can only be admitted to count for Pension on condition of the refund of the gratuity.

the services of the applicant furnished by the Collector of the Godavery District, shows that he served in the Revenue and Settlement Departments, up to 2d December 1859, inclusive, and that he entered the Inám Department on the 3d December 1859. From the Pay abstracts, however, of the Inám Department for December 1859 he appears to have joined it on the 1st of that month. He has thus evidently drawn double pay for the first two days in December. The Collector, in whose District, the applicant now resides states that the applicant is unable to give the exact dates of his quitting the settlement Department or entering the Inám Department - but that the applicant is willing to pay back any amount of salary he may have over-drawn.
