To The Acting Collector of
Bellary

Sir,

With reference to Talked No 540 dated 22d November 1871 forwarding letter from the Vice President of the Bellary Municipality requesting that I may be called upon to take steps to ensure the attention of the people of Dhangarhatti to Sanitary rules, I beg to report for your information that I have both inspected the village myself and had it inspected daily for the last 3 weeks by one or other of the two Peddies of Bellary from day break to 8 or 9 A. M. to prevent persons from sitting for the purposes of nature in the vicinity and so to endeavour to establish the habit of resorting to the place at a distance which I pointed out. The village is now as clean as it can be made by any means at our disposal, but it cannot be effectually kept under Sanitary regulations unless it is brought within municipal limits.

The Vice President's letter is herewith returned.

I am &c

Sir,

With reference to your Proceedings in Appeal No. 86/1868, I have the honor to inform you that I went out to see the site of a boundary dispute between Obaganapully in Dharmavaram Talug and Jallodoo in Powghur Talug. I had previously sent word that I was coming, and had told the Tahsildar to have the place carefully inspected by a Revenue Inspector, so that he might be able to give me any information I might require. I was assured by the Revenue Inspector that he had inspected the place carefully, but when I arrived there, I found he could tell me nothing, and at last I heard from him that he had not been to this site for several months. In addition to that, I found out that if ever he had inspected the place, his inspection had been made most carelessly, as boundary stones (sun and moon stones) had been omitted in the plan he gave me, and the plan was otherwise seriously wrong. I consider him unfit for a Revenue Inspector's post, partly on account of his carelessness, to say the least, in this case, and partly from seeing him I judge he is not strong enough for the work, and I therefore reduced him. I may remark I had arranged to meet the Mysore Authorities at the place in question, but was prevented settling the dispute, as well by this Revenue Inspector as, luckily, by the Mysore Authorities failing to bring any of their accounts.

I have &c,
(Signed) W. S. Foster
Sub-Collector.

Extract from the Proceedings of the Collector of Bellary, dated 12th February 1869.

Read again petition presented by Cuddapah Vencata Row, late 1st Class Revenue Inspector of the Talug of Dharmavaram, appealing against the order of the Sub-Collector, No. 246, dated 19th October 1868, degrading him to the post, of a 15 Rupees' Gumasta in the same Talug.

Read again Extract Proceedings of this Office dated 13th Ultimo with reference to the above petition

Read letter from the Sub-Collector No. 56, dated 6th Instant.

The

Collector is of opinion that the punishment inflicted by
Sub-Collector was more severe than the circumstances
e case demanded, but before passing final orders on
subject he requests the Acting Sub-Collector to send for
tioner and to report whether in his opinion he is phy-
ally unfit for the office of Revenue Inspector. If so peti-
ner should be directed to appear before the Garrison
geon in view to his obtaining a medical Certificate
t he is incapacitated for further service. If the present
ting Sub-Collector considers that he is fit for the some-
t arduous duties of a Revenue Inspector, the Collector
f opinion that the petitioner has been sufficiently pun
ed by his suspension from the emoluments of that
ce since October and requests that he may be reinstated.
