Proceedings of the Madras Government, Pension Department,
10th April 1872.

Proceedings of the Madras Government, dated 10th April 1872, No. 200.

To obviate frequent applications from pensioners to be exempted under Section 82 of the Civil Pension Code from the necessity of appearing in person before the Disbursing Officer at the time of taking payment, and with the view of indicating more clearly the grade of pensioners who are entitled to that privilege, the Government resolve to declare that all persons in receipt of pensions of Rupees 50 per mensem and upwards may claim to be identified by the Disbursing Officer at his own house instead of being made to appear at his public office.

2. In laying down the above limit it is not intended to exclude all other respectable pensioners from the enjoyment of the privilege, if, in the opinion of the Disbursing Officer, it may properly be extended to any pensioners drawing less than Rupees 50 per mensem. The Disbursing Officer must exercise his discretion in this respect.

This had better be
referred for next
Council.

The Circular can well
save us some trouble
in draft - but I think
it is better to wait
till the next session.
We cannot have the

is to be considered
I think we should
withhold the dignity

of our public officers
discharging a public
duty. But I would
not allow this to
be made a duty
of any man of much
higher position than
they attend at the
India Office to draw
their pensions.

I think men
like Mr. [unclear]
should
not be required to
attend in person - if
they prefer forwarding
a life certificate
from some post office
not less than the rank
of Major. Such
persons - I think may be
Kangaroo - or even

or by a private call on the Disbursing
Officer they have their existence. The cer-
tificates might be forwarded with
perfect safety - the Collector approving the
arrangement.

Collectors might also be re-
quired to make the attendance
of pensioners as little irksome
as possible, in their cases. They need not
all be handed by their little curiers.
