Sir,

I have the honour to forward herein enclosed, a letter from Checca Ramoodoo a Flag lascar* of this Department, and who is, any longer, unable to work.

The man's health is failing fast, and he is at present excessively deaf, and is moreover inflicted with defective vision

I cannot find any records to establish his length of service, but from enquiries from Merchants and Ship Owners whose business frequently brings them to this office, I find that he is about 20 years in the Department. Captain Towle who was formerly the Master Attendant here, states the same thing

Sir,

I have the honor to submit herewith the Petition of Checca Ramadoo a Flag Lascar, attached to the Master Attendant's Department Cocanada, where he appears to have been serving for about twenty years, praying that he may be granted a pension.

It appears that the man is in bad health, is deaf, and has lost his sight by constantly using the Telescope. The Medical certificate of the Civil Surgeon confirms this, and points out that he is suffering from "Incipient Cataract" of both eyes.

Six certificates shewing that Checca Ramadoo has been about 20 years in the Department.

There are no records shewing when the man first entered the Government service, but the documents noted per margin granted by two of the oldest European, and four of the

the oldest and most influential Native residents and ship owners, will I trust be accepted as evidence in his favor, and that in consideration of his having lost his sight in its service, Government will be pleased to accede to the request of the Petitioner as a special case.

The Medical certificate granted by the Civil Surgeon is herewith enclosed.
