~~Applicant is eligible to a pension of Rupees per mensem, equal to of his average salary during~~

~~the last 5 years, under Clause Section of the Revised Pension Rules.~~

With the exception of three breaks, two of about 10 days each and the third of seven months, the latter consequent on the abolition for that period of the Coonsoor Public Cattle Depôt, this man's services have been continuous for the full period of 37½ years. Under the strict letter of Regulation as laid down in Section 4th of the Civil Pension Code and despatch of the Government of India № 2547 of 1869, in Fort St George Gazette, 27th September 1870, page 1253, his services cannot be considered of that permanent character giving claim to pension; but it will rest with Government to determine whether, in consequence of a chance absence from duty of a few days on two occasions probably from sickness and the entertainment for 10 days of a substitute, and the abolition of the Office to which he was attached for the period of only 7 months, this old man should lose the reward to which he has probably looked forward all his life and which but for the breaks named, he would have earned.

ORDER OF GOVERNMENT 20th April 1872 No. 239.

Under Section 50 (a) the Medical certificate should be granted by a commissioned Medical Officer. The Commissary General should order the Applicant to proceed to the nearest station where there is a commissioned Medical officer for the purpose, unless he can be considered a "Medical Officer in charge of a Civil Station" (same section) which seems doubtful.
