Handwritten text in a South Indian script, likely Grantha or Tamil, written in dark ink on aged paper. The text is arranged in approximately 15 horizontal lines, with some characters appearing to be in a different script or dialect than the main body of text. The paper shows signs of wear and discoloration.

Translation of a deposition given before
Venkatachellam Pillay Tahsildar of Pulladam,
by Syed Khader peon of the said Taluk under
date the 5th May 1871.

I was entertained in the service in 1815, when
Sooloor was a Taluk, and have been serving
continuously up to the end of April 1871. It is
stated that no records as to my service from
1815 to 1820 are forthcoming in the Taluk. Some
of the peons who were serving with me at
the time, are now alive to prove my
employment in 1815 and my continuous service
up to 1820.

It further appears that no records as to
my service from June 1831 to June 1842
are forthcoming in the Talook Cutcherry.
Talook peon Bowany Singh who was
with me, knows that I was in service
during the above period. I beg that he
may be examined.

From a report of the Tahsildar of Pulla-
dum, it appears that no records are forth-
coming in his Cutcherry, as to the applicant's
service from the year 1815 to 30 June 1821, and
that none of the peons who were serving with
him during that period, are now alive; but
in the pay abstract for the month of October
1829, it is stated that Syed Khader's service
commenced in 1815. Translation of a deposition

given by the applicant is enclosed. Syed
Khader's services from July 1821 to June 1831

are verified from the Taluk records. The
records from July 1831 to June 1842 are again

wanting; but from the enclosed depositions
of two peons who were serving with him
during that period, it will appear that the
applicant was then in the service. His
services from July 1842 up to the date of his
retirement are verified from the records.

do hereby certify that I have carefully
examined the Hon Edw Cawder that
his age is by his own statement 75 years

I find him unfit for further service

the result of general debility not
in my opinion attributable to in-
