Sir,

In returning your office memo dated the 17th January last, together with its enclosure, on the subject of Parasurama Pillay's compassionate allowance, I have the honor to state in reply to query No 21½ that the applicant drew his pay from 1st to 12th May 1862, and that his services as Zilladar during the periods referred to in query No 39 were of a temporary nature, his name being shown in the monthly contingent bill. This portion of the applicant's services is, however, included in the register of appli=cation to entitle him to a compassion=ate allowance, because the service of the class of servants to which the applicant belongs is considered permanent, as it has continued ever since its sanction, and it is unlikely that it will ever be dis=pensed with.

From,
B. Cunliffe Esquire,
Collector of Madras.

To,
C. Pelly Esquire,
Member of the Board of Revenue.

Sir,

With reference to your letter of the 8th Instant Nº 831, I beg to state that I issued no orders consequent on your letter of the 22d January as I did not anticipate any good result from them. The every day experience of a Collector shows, in my opinion, that general directions to public officers to perform their duty, on pain of dismissal are of no avail, and that such a dereliction of duty as not collecting the revenues cannot be brought home to the Collecting officers, who can always bring forward some excuse or other for not having realized payment.

2. As long as the Zilladars collected the Revenue & the Moniagar occupied his position without duty, the office was an object with Mirasidars, but now that they find that they are expected to take upon themselves without remuneration the very onerous duty of collecting the Revenue (for the nearer to the Presidency the less subservient are the people to those in authority) the Tahsildars have informed me, & one has reported the fact in writing, that the Moniagars openly express their indifference to the office, putting aside the fairness (which is questionable) of imposing the duty upon unpaid functionaries in this District, whereas elsewhere they are remunerated for their labors.

3. It was the fact of the Moniagars not being here paid, which led to eight Zilladars being employed in each Talug and now that two Talugs have been thrown into one, and 3 Revenue Inspectors attempt to do the work of 16 Zilladars; the Tahsildars complain loudly and in my opinion justly, that their Collecting agency is insufficient.

4. To strengthen the hands of the Moniagars, I issued an order on the 11th February last, authorizing them to attach property for arrears, which power had not been extended to them hitherto.

5 If this District is to be assimilated to others in some, I beg that it may be so in all respects & that until the public Officers to whom I must more immediately look to the collection of the Government dues, be remunerated, stipendiaries may be substituted for them, or I must

express my conviction that a heavy balance will be outstanding at the end of the Fusly and a sum eventually written off as irrecoverable, to which in comparison, the expenditure I have sought of 192 Rs for a few months will be a small fraction.

Have the honor to be,

Sir,

With reference to the Official Memo from the Under Secretary to Government, Pension Department, dated 10th August 1871 No. 21, I have the honor to state that the services of Parasurama Pillai as Zilladar, are considered permanent, because Mr. Cunliffe, when recommending the re-employment of this Class of servants, intended, as will be seen from the accompanying Copy of his letter, that the appointment should continue at all events until the revision of the Village Establishment, which has not yet been carried out in this District.

2. The Zilladar's Chief duty is to aid the Revenue Inspectors in the Collection of the Revenue; but they are also employed not unfrequently to inspect Cultivation, distrain property for arrears of Revenue &ca. In short their duties are the same as those of Revenue Inspectors.

I received your Urzee dated the 6th Instant No. 279; it appears therefrom that the Zilladar Parasurama Pillai omitted to take the Census of the village of Pulicat on the 1st Idem, notwithstanding stringent orders were issued to him with reference to the orders of Government. Although the work of Census is performed once in 5 years, yet the Zilladar by omitting to attend to this important duty and take the Census on the appointed day (viz 1st May) should have of necessity rendered your return defective. This is no doubt a serious fault on the part of Zilladar Parasurama Pillai. He will therefore be considered as dismissed from office from the 1st Instant and Venkata Chelliah one of the Zilladars thrown out in the late reduction has been appointed in his stead from this date you will therefore include his name in the pay abstract and take work from him. you will also report at once if the Census were taken in any of the villages on any day other than 1st of May.

2 The applicant's total period of service amounts to a little more than 35 years and is proved from records. He seems to have performed his duties and conducted himself satisfactorily. Hence he is now recommended for an allowance of 4 Rs per mensem.

3 The difference of 7 days observable in this case between the date of application and the date of certificate is owing to the applicant having produced the certificate 7 days after he applied for pension.

4 The delay in submitting this case is due to the incomplete state in which the Tahsildar furnished the register and to the consequent necessity there was for verifying the applicant's services with reference to my Office records and for obtaining an explanation from the Taluq on certain points which was omitted to be furnished in the first instance
