*Proceedings of the Madras Government, Public Works Department,
11th July 1868.*

No. 273. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Camp at Masulipatam, 25th June 1868, No. 40 :—

1 Statement.
1 Certificate.

1. With reference to paragraph 2 of letter, No. 455, from the Secretary of State for India to the Government of India, dated 16th December 1867, embodied in G. O., No. 1,066, dated 3rd April 1868, I have the honor to inform you that an old Lascar named Yagapah seeks for a grant of compassionate allowances, as he has been in Government service (he states) for forty-nine years, and is now too old to work, as per enclosed Certificate.

2. He has no papers to prove his services, but he affirms solemnly before me, (agreeably to paragraph 3 of Secretary to Government of India's letter to the Under Secretary to Government of Bengal, No. 634, dated 11th April 1868)*

that he was a departmental Lascar for about the times specified in the accompanying statement under the various officers named. Though the statement may not be rigidly accurate, I think there is no doubt that he has *bona fide* served much more than thirty years, and I would, therefore, recommend his case for the favorable consideration of Government. His pay has never exceeded 7 Rupees per mensem.

No. 274. ORDER THEREON, 11th July 1868, No. 2,216.

ESTABLISHMENT, No. 34.

As the Despatch from the Secretary of State referred to by the Superintending Engineer of the 2nd Division only gives sanction to the grant of moderate compassionate allowances to servants of Government after completing thirty years' service in grades not entitling to pension or gratuity who may be thrown out of employment *on reduction of establishment*, Lascar Yagapah does not appear to come within its provision.

Sir,

I have the honor to submit for the favourable consideration of Government an application for gratuity from the widow of a Lascar on this Establishment named Yagapa - it appears that he, after 49 years service, applied for a pension in June 1868. Government in order No 2216 11th July 1868. held that the pension rules did not apply to him -

2. On a second petition however Endorsement No 702 of 1871 (Copy enclosed) was given - but it did not reach his residence till 5 days after his death. I trust that the Government may be moved to pay his widow the amount which would have been given to him had he lived.
