From W. M. CADELL, Esq., Collector of Tanjore, to the Accountant-General, Fort St. George, dated Tanjore, 5th March 1872, No. 325.

In returning the application for pension on behalf of Nelliappah Mudalli, received with your Memorandum, dated 27th November 1871, No. —, I have the honor to state that applicant's service from 16th October 1843 to 15th August 1852, was of a permanent nature, his name having been borne on the establishment paid from the "Nat Curnams' Fund." For a description of this fund, I beg to refer you to the Orders of Government, dated 9th August 1862, No. 1697 (Revenue Department) in which it is stated that it is a distinct cess on the Mirasidars for the remuneration of a useful class of native servants, and that in 1851 the cess was incorporated with the General Revenue by order of Government. Hence it is clear that the Nat Curnams' Fund has been part and parcel of the General Revenues, and service paid from this source qualifies for pension—*vide* Section 24 of the Revised Pension Code.

No. 715.

Report of the Accountant-General.

Service qualifying for pension is proved for a total period of twenty-six years, six months and nine days. In the last five years of his service the pay of the applicant's permanent post was Rupees 30. Applicant is eligible to an invalid pension of Rupees 15 per mensem, equal to a moiety of his salary during the last five years, under Section 56 (c) of the Civil Pension Code.

Proceedings of the Madras Government, Pension Department,
4th May 1872. No. 326.

ORDER THEREON, 4th May 1872, No. 326.

Under Sections 49 and 56 (c) of the Civil Pension Code, the Honorable the Governor in Council is pleased to grant to Trivadi Nelliappah Mudelliar, lato 1st-Class Revenue Inspector, Puttukottai Taluq, Tanjore District, an invalid pension of Rupees 15 per mensem, equal to one-half of his salary for the last five years, payable from the 1st September 1871.

2. It is observed that applicant's service from 16th October 1843 to 15th August 1852, was rendered on an establishment paid from the "Nat Curnams' Fund" peculiar to the Tanjore District. It appears from Proceedings of Government, Revenue No. 1697, dated 9th August 1862, that the Fund in question was raised by a distinct cess on the Mirasidars, and that in 1851 the cess was incorporated with the General Revenues by order of Government. The Government are of opinion that service paid from the above source satisfies the conditions laid down in Chapter VI of the Pension Code and should be regarded as qualifying service. It is accordingly admitted in the present case.

2. It is observed that application to Service from 16th October 1813 to 15th August 1832 was considered and an additional amount paid from the "Hot Summer Fund" from 1st 1833 to 1st 1834. It is supposed from the authority of Earl Fitzwilliam that the application of 1832 was the first in question and that the Edgware was the Chiswick and that in 1837 the Edgware was presented with the General Remission for order of Court. The course of opinion that Service paid from the same source before the anti-slavery foundation in Chapter VI of the Union Code and should be repeated as an original service. It is accordingly admitted in the present case?
