Explanation of any degradation.

V. Subhadar was unemployed from 13th August 1854 viz. 16 days owing to suspension of establishment. He was dismissed the service on 7th April 1855 for having made an incorrect report regarding the condition of certain Dakhshat Band - and was re-appointed on 1st January 1856 the then Collector having satisfied himself that the report was simply a careless one and not attributable to any improper motive.

V. Subhadar was degraded on the 28th March 1850 from the situation of Munshi in Dhona Taluk on account of his profanity for the post.

Remarks by the head of the Office on past character and conduct of the applicant throughout the service.

I had no fault to find with him, but considered for the last two or three years that he was physically incapacitated for his work.
