Sir,

I have the honor to submit herewith a pension application on behalf of a native employe in the Observatory who is now over sixty-one years of age and past further efficient service. — The man ceased work from Jan 1st of this year and another assistant was promoted to his post from that date. — He deserves a maximum pension and I trust that such will be allowed him. —

Madras Observatory, March 7th 1872.

From N. R. Pogson, Esq.,
Government Astronomer and Meteorological Superintendent.

To R. W. Godwin, Esq.,
Accountant General. — Fort St George

Sir,
Herewith I have the honor to return the Pension application on behalf of R. Ramanyasoo Naidoo, amended agreeably to your objection memorandum of the 28th ultimo. —

The Magnetical Observatory, to which R. Ramanyasoo Naidoo belonged, was started in 1840 under Lieut. J. O. E. Ludlow. The assistants were to be only men of the Corps of Sappers & Miners, and only one native writer was at first entertained (the said Ramanyasoo) at Rs 20 per mensem. —

Upon Lieut Ludlow's application the native writer's pay was raised to Rs 40 per mensem. Military Department. No 3602, 22nd September 1840. Some doubt seems to have arisen respecting the order sanctioning this increase, for it is specially confirmed in another E. M. C., No 1561, 9th April 1841, Military Department. In December, 1842, Mr. D. Horgan, one of the Sappers & Miners employed as observer, having resigned his post, Lieut Ludlow recommended his Writer (the same Ramanyasoo and no other person) to be appointed Observer or Assistant at Rs 50 per mensem. This was sanctioned in E. M. C. Military Department No 5301, 29th December 1842. —

The Magnetical Observatory was transferred to the ^{Astronomical} Observatory from 1st January 1846 agreeably to E. M. C. Mil. Dep. No 5056 - 23rd December 1845, and Ramanyasoo's name stands second in the Detailed List submitted to the Civil Auditor on 29th May, 1846, as receiving Rs 50 per mensem and dating his service from 1st July 1840. This is the first Detailed List of which any record exists, as having been submitted to the Civil Auditor. A revised classification of the Establishment was prepared by W. G. Gussie, the H. C. Astronomer on 25th July 1850, according to which Ramanyasoo was to receive Rs 56 per mensem as 3rd Assistant. I cannot find the office copy of the E. M. C. sanctioning this arrangement, but the pay was passed upon the revised scale and such would not have been the case had it not been duly authorized by the Government. —

Trusting that these explanations will be considered satisfactory,

I have the honor to be, Sir,
Your most obedient servant
N. R. Pogson
Government Astronomer.
