Gratuity.

Read the following letter from the Paymaster, Presidency, to the Controller of Military
Accounts, dated Fort St. George, 10th April 1872, No. 179:—

In forwarding an application for a pension for Moochee S. Venketasawmy
Naidoo, of the late Pay Office, Secunderabad, I have the honor to state that this
was not sent in before, as I was under the impression, with reference to Note E,
Section 38, of new Civil Pension Code, that this man's service was "inferior,"
and that in consequence he was not entitled to pension. But although termed
a Moochee in the establishment of the Pay Office, he has been to all intents
and purposes a Book-binder, and will therefore, I conclude, come under Note E,
Section 39, and be entitled to pension, and I have designated him as Book-binder
in the application for pension. His pay has always been that of superior service,
and his work exclusively that of book-binding.

CERTIFICATE AND REPORT OF CONTROLLER OF MILITARY ACCOUNTS.

Certified that (subject to the remarks below recorded) qualifying service in inferior grades
has been duly proved for 22 years, 3 months and 14 days; and that a compensation gratuity not
exceeding Rupees 84 is admissible under Section 63 (a) of the Civil Pension Code. The calcula-
tions have been duly verified. No vacancy exists for his employment in the Military Account
Department.

2. Colonel Fraser, in his letter, dated 10th April 1872, No. 179 (herewith forwarded), states
that the applicant has been a Book-binder and his work exclusively that of book-binding though
styled a Moochee in the Pay Lists as the common designation of such men in this Presidency.
Should Government be satisfied with this explanation and consider the individual as belonging to
the grade classified as Book-binder in the Bengal Presidency, the man for whom this application is
made would be entitled to compensation pension of Rupees 4-10-8 in lieu of gratuity. This, it is
observed, however, would be a question of general application to nearly all offices and involve a
precedent for claims not hitherto admissible, and disallowed under instructions from the Govern-
ment of India, recorded in Proceedings of Government, Pension Department, No. 93, dated
9th March 1872.

FORT ST. GEORGE,
18th April 1872.

(Signed) J. W. RIDEOUT, Lieut.-Colonel,
Acting Controller of Military Accounts.

ORDER THEREON, 16th May 1872, No. 405.

The Paymaster, Presidency, submits an application for pension on the superior
scale in favor of Seelum Venketasawmy Naidoo, late Moochee on the establishment
of the Paymaster, Hyderabad Circle. The Honorable the Governor in Council
observes that it has recently been decided by the Government of India that a
Moochee, who occasionally does the work of a superior officer, cannot be regarded
as a superior servant, and that accordingly pension on the superior scale is not
admissible in the present instance. For his service of 22 years, 3 months and 14
days, Venketasawmy Naidoo is entitled to a compensation gratuity of Rupees (84)
eighty-four, equal to six months' pay under Sections 47 and 63 (a) of the Civil
Pension Code, which is sanctioned accordingly.

Binding and on this ground,
urges that his service should
be classed as superior; but
the Controller justly remarks
that the question is one of
general Application to nearly
all offices and involves
a precedent for claims

I presume the Applicant's
duties resembled those of
Moochies in other public
offices and that it cannot
be said that his profes-
sional employment was
purely book-binding.
