*Proceedings of the Madras Government, Pension Department,

Read the following papers :—

From the Collector of Kurnool, dated 13th March 1872, No. 220.

„ Acting Accountant-General, dated 26th April 1872, No. 49.

ORDER THEREON, 21st May 1872, No. 419.

Under Section 63 (a.), Civil Pension Code, the Honorable the Governor in Council is pleased to grant to Kurnool Gururajappa, late Shroff of the Sirwell Taluq, Kurnool District, an invalid gratuity of Rupees (90) ninety, equal to six months' salary, for his combined service, superior and inferior, amounting to twenty-nine years and thirteen days.

2. The Officiating Accountant-General raises the question whether, with reference to Section 39 of the Civil Pension Code, in the case of Shroffs who were in the service on the 22nd May 1856 drawing less than Rupees 10 per mensem, service after promotion to a salary exceeding Rupees 10 may not be classed as "superior," as the opening condition in regard to amount of pay might be interpreted to refer merely to the time of retirement.

3. As presumed by the Accountant-General, the correspondence in the Government Office regarding the circumstances under which the exception was made in favor of Shroffs in the service in 1856, shows that the exception was intended to apply solely to Shroffs drawing more than Rupees 10 at that date, and that Shroffs drawing less than that sum were never considered eligible to pension.

4. The applicant is under no interpretation of the Rules eligible to a pension of Rupees 4 as recommended by the Collector.

Extract from the entry Book of
Revenue Accounts to the Simell Block,
No 287 of 1871.

Read viz Nos 120 and 135 dated
24th and 12th April and enclosed from
the Talukdar of Simell on the subject
of the deficiency of 1 Rupee in the
Taluk Treasury.

It appears that Saraf Surup
in paying the salaries of the Village
Servants of Odde Karmabhat, paid
Rupees 31-12-0 instead of Rupees 30-12-0
or 1 Rupee more and that on
comparing with the Nagadi Chitta
the same evening, a deficiency of
1 Rupee was found in the Treasury
balance; that the Saraf corrected his
Chitta in accordance with the Nagadi
Chitta without intimating the fact
either to the Talukdar or to you (Shri
in charge) and made false entries
in the accounts of the 27th, 28th and 29th
and that you found the matter
out at your examination on
the 30th and directed the Saraf to make
good the deficiency. The Kabbady
of the Village states that the Saraf paid
only Rupees 30-12-0 according to
the Baranad and not 1 Rupee more.

The grounds stated by
Gunnajappa in his defence are
cannot be taken as satisfactory.

When the Saraf found
and his mistake, he ought first to
have reported the matter to you
or to the Sahildar, his superior
in office, and then made the
correction. Instead of doing so he
has caused false entries to be made
in his and the Sagaid's Chitta
on the 27th, 28th and 29th. Such a conduct
is improper in a public servant
who has to perform the responsible
duty of looking after the receipts of
the Government in his district. The
Saraf is therefore suspended from
his services for 15 days. He should
be strictly warned that a repetition
of such an improper conduct
would entail dismissal. You
should appoint a substitute for
him and report the fact to this
Office.

It appears that you ordered
the deficiency of 1 Rupee to be made
up without the permission
of the higher authorities. It is
strange that, when you did so,
you forgot your position as a
public servant and that the

REPORT OF THE Accountant General.

Applicant's Service qualifying for pension is proved for a Total period of ... 29 - 11 - 16.

In the last 5 years of his service the average pay of the Applicant's permanent post was ... 15 - 11 - 11.

Applicant is eligible to a pension of Rupees ... of his average salary during the last 5 years, under Clause ... Section ... of the Revised Pension Rules.

In this particular case Government seems to have some discretion in interpreting the Rules the Collector's recommendation is not defensible. The man has served continuously as Sub-officer since 1842. The service of a man appointed as such on 15th Nov 1842 would be considered as superior only if he could at most have a gratuity of 6 months pay i.e. of Rs. 90. But see 39.16 Rules without saying anything about rates of pay that Sub-officer in Madras who were in the service on 29th May 1856 may be classed as superior. Government may possibly hold that the opening condition refers to the time of retirement and that though this man was only promoted to Sub-officer on 15th Nov 1842 his service after his promotion and was afterwards promoted to Sub-officer on 15th Nov 1842 his service after his promotion may be treated as superior in this case. He could have a maximum gratuity of 18 months pay i.e. Rs. 165. The undersigned believes this suggestion is made as probably correspondence in the Government Office, under which the circumstances under which the exception was made in favor of men in the service in 1856, and so explains the intention of that exception.

Under no circumstances could he get the pension of Rs. 165 per month recommended by the Collector as he has not served 35 years.
