Sir

No 87 dated 12th January 1872

In reply to your memo noted in the margin, I have the honor to explain, for the information of Government, that Constable Narsingaban No 1365, was discharged on the 11th July 1871

On the 15th July, I addressed the Collector of Kristna regarding the man's services previous to his entertainment in the Police, as he said that he had been for many years a Revenue peon in the Kristna District. From the accompanying Correspondence you will see that the

Collector of Kistna did not reply to my letter, till the 20th September or two months and five days after I addressed him —

As there was no information in this letter to enable me to judge what the Constable's services really had been, I was under the necessity of sending for Constable again, and enquiring from him the years in which he served as peon or the names of the Collectors under whom he served — This took little time — the Constable then furnished me with the names of several officers under whom he had served, on this I again addressed the Collector of Kistna on the 13th October — His reply to my letter is dated 14th November. Any time which elapsed after that was occupied in making enquiries regarding the Constable's antecedents and on my not succeeding in obtaining any further information I submitted the gratuity roll with the original correspondence in December

There was no delay in my office
