My Lord,

With profound respect and due sub-
mission, I beg most respectfully to bring to your
Lordship's notice, that on my application to your
Excellency, when Governor of Madras, your Lordship
was pleased in consideration of my and my Ancestors
services to decide that my case should be recommend-
ed to the Government of India for a pension.
Accordingly the Madras Government have now
sent in a recommendation on my behalf to the Supreme
Government. Permit me my Lord to state that I think
it unnecessary to enter into the details of my peculiar
case, as they are so very fresh in your Lordship's re-
membrance - To my great fortune your Lordship is
now appointed the Viceroy and Governor General of
India - and as my case comes now to be finally dealt
with

with by your Excellency. I beg your Excellency will extend your liberal pen to me by directing that in consideration of the salaries last drawn by me as ^(a) Head Record Keeper in the office noted in the margin, the pay last drawn by me, in the office of the Inspector General of Ordnance and Magazines viz Rupees 50- - - may at least be fairly granted to me as a monthly rate of pension, as any sum less than that which may have been recommended by the Government of this Presidency will not allow me to live with comfort during the few years which it may please to spare me.

(a) The late Military Office Engineer 1850- - -
The late Chief Engineer
Genl. D.D. 1850- - -

I have no doubt that your Lordship will consider that the amount I now solicited as pension viz Rupees 50- - - is not great, when my services extending a period of nearly half a century and those of my Ancestor Canacapully Goroocapah Rindoo rendered to the British, are brought to bear on the subject, I have already expressed my very humble opinion, that I have not seen a more liberal Government than your Lordship for the last 50 years.

In your Lordship's reconsideration of my case in the Indian Council, I humbly crave that your Excellency will graciously be pleased to grant my

my prayers for superior rate of pension, and thus gain a reputation that can be acknowledged by me with thanks, during the remaining portion of my life, as with any less amount recommended by the Madras Government, I cannot expect to lead a comfortable life.

For this act of kindness I shall offer up my unceasing and fervent prayers to Divine Providence for the health, longevity of your Lordship and your Lordship's noble and most respected family.

I beg leave to remain Yrs
