To

The Secretary to the Government
of India,

Financial Department.

Sir,

I am directed to
submit copy of the
G.O. 7th May 1892 No. 341. Pen. Dep. - originally noted order sanctioning a gratuity of
Rs 48 or six months pay
to one. *Therakaram Ven-*
katainayes with a view
to a confirmation of the
grant.

JDS

2. *Venkatainayes* served
from the 22nd June 1850 to
23rd November 1871 a period
of 21 years. 5 months 2 days,
but as he was dismissed
on the 7th August 1860, under
the

the strict Rules, he forfeits his previous service and becomes entitled to a Gratuity of four months pay instead of six months pay.

3. Upon a reference to the Collector's order, it appears that the Applicant was dismissed for having cut and appropriated a small Baobab tree growing in the Cutcherry compound without permission, but three months afterwards, on the 9th November 1860, was appointed by the same Officer to another post of equal importance.

4. Under these circumstances this Govt, considering that the re-appointment was tantamount to

to a commutation of the³ original punishment and might be viewed as suspension followed by reinstatement, admitted the service, preceding dismissal as qualifying service, and granted the full gratuity of six months pay.

5. In accordance with the Accountant General's request the grant is now submitted for the confirmation of the Govt of India, but, I am to suggest that the Local Govt.

should be vested with authority to decide, with reference to the circumstances of each case, whether temporary removal from the service should be viewed as suspension or dismissal. C. L.
