Gratuity.

Read the following letter from the Acting Inspector-General of Police, to the Secretary to Government, Pension Department, Fort St. George, dated Madras, 4th May 1872, No. 1588 (Audit):—

I have the honor to submit, for the orders of Government, applications for the grant of gratuities to two Constables, named in the margin, of the Cuddapah Police.

	Ys.	M.	D.	
First-class Constable Guruppah, No. 380— Service in the Police Department ...	10	8	4	
Service in the Reve- nue Department.	21	1	29	
Total ...	31	10	3	Rs. 80
Second-class Constable Gungooloo, No. 404— Service in the Police Department ...	10	7	26	
Service in the Reve- nue Department..	23	6	6	
Total ...	34	2	2	Rs. 70
	Total ...			Rs. 150

2. The Constables have served in the Police and Revenue Departments as shown in the margin, and have borne good characters. They are now unfit for further service as certified by the Medical Officers.

3. The Medical Officers certify that Constable Gungooloo is disqualified by premature decay and infirmity *alleged* to be the result of intemperance.

4. These men would have been entitled by length of service to the gratuities entered opposite to their

names under the rules of the Police Superannuation Fund.

5. I beg to forward, for the information of Government, letter, No. 1-79, dated 27th March 1872, from the Superintendent of Police, Cuddapah, in which gratuity of twelve months' pay has been recommended for each of the Constables under the new rules.

From Captain F. KILGOUR, Superintendent of Police, Cuddapah, to Major W. ROBERTSON, Assistant Inspector-General of Police, Madras, dated Cuddapah, 27th March 1872, No. 1-79.

In forwarding herewith the accompanying gratuity rolls for late Second-class Constable No. 404 and First-class Constable No. 380, of this district, discharged on medical grounds, I have the honor to recommend the grant of twelve months' gratuity under the new rules, as they have

* No. 1029-A, dated 20th March 1872.

elected the old rules under a misapprehension, *i.e.*, long before the receipt of the memorandum*

revising the comparative statement forwarded with Circular No. 7128 of 1871, and are therefore fairly entitled to the benefit of the alteration.

No. 39.

MEMORANDUM.

The Under Secretary to Government, Pension Department, is directed to request that the Acting Inspector-General of Police will furnish copies of the marginally-noted papers referred to in the letter from the Superintendent of Police, Cuddapah, recommending the grant of twelve months' gratuity to two Constables Nos. 404 and 380.

(Signed) C. A. GALTON,

Under Secy. to Govt.

*Proceedings of the Madras Government, Pension Department,
10th June 1872.*

From Major W. S. DREVER, Acting Inspector-General of Police, to C. A. GALTON, Esq., Acting Under Secretary to Government, Fort St. George, dated Madras, 25th May 1872, No. 1852 (Audit).

With reference to your memorandum, No. 39, dated 10th May 1872, Pension Department, I have the honor to forward Circular No. 7128 of 1871 and Memorandum No. 1029-A, dated 20th March 1872, therein called for.

2. Copy of letter, No. 1-79, dated 27th March 1872, from the Superintendent of Police, Cuddapah, is herewith returned.

ORDER THEREON, 10th June 1872, No. 469.

Application is made for the grant of gratuities of Rupees 80 and Rupees 70 respectively to Constables Guruppah, No. 380, and Gungooloo, No. 404, of the Cuddapah Police Force, to which they are entitled under the Police Service and Superannuation Pension Rules.

2. The Superintendent of Police, however, recommends that gratuities of twelve months' pay should be granted in the present cases under the new rules on the ground that the Constables elected the old rules under a misapprehension, the relative advantages of the old and new rules not having been correctly set before them in the first instance, they having retired previous to the receipt of the circular giving the correct rates of gratuities for "mixed service."

3. As the date of their election was the day previous to the date of their removal, it is obvious that, in making their election, they would be guided by the comparative advantages of the old and new rules in regard to gratuities for "mixed service," and that they were influenced to their prejudice by the statement laid before them. Under these circumstances His Excellency the Governor in Council resolves to concede the benefits of the new rules in the present cases, and to grant to Guruppah and Gungooloo gratuities of twelve months' pay, viz., Rs. 96 and Rupees 84, respectively.

4. It is presumed that the Acting Inspector-General of Police has rectified the error by calling upon all Constables whose choice could possibly be effected by the rates of gratuity for "mixed service" to reconsider their election; if not, no time should be lost in doing so.

5. With regard to the medical certificate in the case of Gungooloo, it is observed that the disqualifying cause is stated as "premature decay and general infirmity alleged to be attributable to intemperance," but by whom alleged or whether the Medical Officers were of the same opinion is not stated. The vagueness of the terms of the certificate appears to have attracted the attention of the Acting Inspector-General, who should have returned it for revision.

Dated 4th May 1872
No. 1588

Submits for orders
Application for the
Grant of Gratuities
for certain Constables
Cuddapah Police.

12 months pay should be granted in the present cases under the New Rules, on the ground that the Constables elected the Old Rules under a misapprehension the relative advantages of the Old & New Rules not having been correctly set before them in the first instance, they having retired previous to the receipt of the Circular giving the correct rates of gratuities for "mixed service."

3. As the date of their election was the day previous to the date of their removal it is obvious that in making their election they would be guided by the comparative advantages of the

3 the Old & New Rules in regard to Gratuities for "mixed service", and that they were influenced to their prejudice by the Statement laid before them. Under these circumstances His Excellency the Governor in Council resolves to concede the benefits of the New Rules in the present cases and to grant to Gurnupak and Gungooloo gratuities of 12 months pay viz. Rs 96 and Rs 84 respectively.

4. It is presumed that the Ag: Inspector General of Police has rectified the error by calling upon all Constables, whose choice could possibly be affected by the rates of Gratuity.

Gratuity for "mixed service," to reconsider their election, if not, no time should be lost in doing so.

With regard to the Medical Certificate in the case of Gungooloo it is observed that the disqualifying cause is stated as "premature decay and general infirmity alleged to be attributable to intemperance," but by whom alleged or whether the Medical Officers were of the same opinion is not stated.

The vagueness of the terms of the Certificate appears to have attracted the

the attention of the Ag. Inspector General who should have returned it for revision.

In the original statement showing the benefits arising to members of the Police Force from the New and Old Rules respectively the rates of gratuity for mixed service are given as in sec 63(a) of the Civil Pension Code, whereas the entry should have been "One month's pay for every 2 years complete service up to 12 months pay." The error was rectified after these men had made their election, and it may fairly be urged that they were prejudiced by the error.

From

Dated 4th May 1872

No. 1588

Submits for orders
Applications for the
Grant of Gratuities
for certain Constables
Cuddapah Police.

12 months pay should be granted in the present cases under the New Rules, on the ground that the Constables elected the Old Rules under a misapprehension the relative advantages of the Old & New Rules not having been correctly set before them in the first instance, they having retired previous to the receipt of the Circular giving the correct rates of gratuities for "mixed service."

3. As the date of their election was the day previous to the date of their removal it is obvious that in making their election they would be guided by the comparative advantages of the

3 the Old & New Rules in regard to Gratuities for "mixed service", and that they were influenced to their prejudice by the Statement laid before them. Under these circumstances His Excellency the Governor in Council resolves to concede the benefits of the New Rules in the present cases and to grant to Gurnupak and Gungooloo gratuities of 12 months pay viz. Rs 96 and Rs 84 respectively.

4. It is presumed that the Ag: Inspector General of Police has rectified the error by calling upon all Constables, whose choice could possibly be affected by the rates of Gratuity.

Gratuity for "mixed service," to reconsider their election, if not, no time should be lost in doing so.

With regard to the Medical Certificate in the case of Gungooloo it is observed that the disqualifying cause is stated as "premature decay and general infirmity alleged to be attributable to intemperance," but by whom alleged or whether the Medical Officers were of the same opinion is not stated.

The vagueness of the terms of the Certificate appears to have attracted the

the attention of the Ag. Inspector General, who should have returned it for revision.

In the original statement showing the benefits arising to members of the Police Force from the New and Old Rules respectively the rates of gratuity for mixed service are given as in sec 63(a) of the Civil Pension Code, whereas the entry should have been "One month's pay for every 2 years complete service up to 12 months pay." The error was rectified after these men had made their election, and it may fairly be urged that they were prejudiced by the error.
