Sir
With reference to your letter, I have the honor to inform you that the records of this Office do not furnish any information as to why Annaswamy was not allowed to continue in service with the 63rd Regiment. According to the former system the Purveyors who accompanied the 63rd Regiment were, it is presumed, ordered to return to Bellary, those attached to H. M. S. "King's Own" having been employed in their stead.

I have been serving the 3rd Class Clerk in the
Commissionariat Office Bellary, and whose Register
of application for Pension has been returned
for want of certain information regarding the
break in his services, do hereby solemnly
declare:-

That I entered the office as
a Volunteer in 1835, and continued to work
in the office very usefully, up to 15th March 1840,
when Major Bremner the then Commis^t. Officer,
was so kind as to appoint me as a Conicopoly
in the Hospital of M. M. W. King's own Reg^t,
and on the March of the Corps from Bellary
to Belgaum, on the 14th November 1840, I was ready
to accompany the Regiment, but the Major,
& the Commis^t. Officer directed me to attend at
the office as they found me very useful in
the office, and despatched another temporary
Conicopoly with the Corps to Belgaum, stating
that my services would not be taken in the
Bombay Presidency -

That as soon as M. M. W. Reg^t
arrived from Madras in November 1840, the
Conicopoly who accompanied the Corps having
returned to Madras according to the system,
then prevailed in every Commis^t. Office in the
Presidency, I was entertained as a Conicopoly
in

in the Hospital of the 4th Regiment & employed
up to 25th December 1871, and followed the Regiment
on its March from Bellary to Secunderabad, and
that on the arrival of the Corps at that Station,
the Commissary Officer there ordered me to return
to Bellary after the adjustment of ^{my} accounts
according to the system then prevailed - viz
on the 25th January 1872.

The above is a correct statement,
