To

The Secretary to Government

of India,

Financial Department.

Sir,

I am directed to submit

Govt Order 22nd May 1872 No 426.

copy of the marginally noted order granting a compensation pension of half pay or Rs. 2-8-0 per mensem to one Solakura Rajenna with a view to a confirmation of the grant.

2. Rajenna served for a period of 34 years 11 months and 19 days but as he was dismissed on the 10th February 1854, under the

interpretation of the
a. — strict Rules, he forfeits his previous service and becomes entitled to a gratuity of five months' pay instead of the pension now granted.

3. Upon a reference to the Collector's order, it appears that the applicant was dismissed for

J. M.

for abstracting salt from the
heaps belonging to the Lam-
-badies, but 2 months after.
wards, on the 10th April 1864
was reinstated by the same of-
-ficer.

4 Under these circum-
-stances this Government consi-
-dering that the reappointment
was tantamount to a commu-
-tation of the original punishment
and might be viewed as suspen-
-sion followed by reinstatement,
admitted the service preceding
dismissal as qualifying service
and granted the pension to which
he was entitled.

5. In accordance with the
Accountant-General's request
the grant is now submitted
for the confirmation of the Gov-
-ernment of India - The case
is similar to the
reported in my letter
of the 3rd May 1872 to 447
