,, *Officiating Accountant-General, dated 8th June 1872, No. 11.*

ORDER THEREON, 28th June 1872, No. 502.

Application is made for the grant of a gratuity of six months' pay, Rupees 36, to Sitha Veeraswamy, late Salt Measurer of Dugarazapatam, Nellore District, whose inferior qualifying service amounts to twenty-one years, four months, and twenty-one days.

2. The medical certificate is dated nearly ten months subsequent to the date on which the applicant ceased to do duty, and the Deputy Collector's report in explanation of the circumstances under which his service came to an end shows that he resigned in consequence of his being degraded for misconduct, and that his retirement was not owing to failure of health; accordingly he is not entitled to a gratuity.

Report of the Accountant General

The services of this individual having been partly verified from the records of this office, and entirely from those of the Collector he would be eligible to an invalid gratuity of Rs 36 equal to 6 months salary under section 63(a) of the Civil Pension Code, if his removal had been bonafide on account of failure of health, it is for Government to decide after reference to the Deputy Collector's report whether he has broken down in the service or has really been dismissed for insubordination and inefficiency.

The cause of delay in the submission of the application is explained in the letter herewith accompanying-

To

G. Sans Agnew Esquire,

Collector of Bellare.

Sir,

I have the honor to submit a brief report on the petition No 622 of 1891, presented to you by one Sita Vrasawani, late measurer of Duganazapataw Division, appealing that he was unjustly ordered to go to Kumparti on a reduced salary of Rs 5, which he first declined and then, being made known that he would be dismissed, should he not join the Station, he went to Kumparti but

he was not allowed to take up the appointments, as the post had been filled up by another incumbent

2. The Records of this office show that the Petitioner, while being employed as a Salt-Measurer on Rs 6 pay at Dugarazupatam, was fined Rs 1 by Mr. Plunkett for neglect of duty in February 1870, and on the report of the Salt-Superintendent of the Division to the effect that the Petitioner has been totally unfit to work up the weighing machines, and that his constant variations to him were of no use, Mr. Plunkett ordered his discharge from that appointment on the 19th January last and appointed him as a Veltian on Rs 5 at Ramparti.

3 The Superintendent of Ramparti has submitted an application from the Petitioner for a month's leave, which was refused, and the Superintendent has been directed

tendent of Dugarazupatam No. 4 dated

ary 1871, to Ram-
parti Salt Super-
intendent.

* Original has
been endorsed to

directed to employ a substitute on full
pay till the Petitioner joins.

4. On the 20th February a petition No. 35 was presented by the Petitioner in this office. The office register of petitions shows, that the Petitioner has put in a claim for pension stating that he was unable to serve further. On 24th Decem his name was ordered to be struck off from the list of Ramparti and the Superintendent of Dugarazupatam was directed to report as to the Petitioner's eligibility for any allowance.

5. In his Arzi No. 16 under date, the 2nd March last, the Superintendent reported that the Petitioner has severally served 26 years in the grades of peons and Salt-Measurer, and the service was to be verified with the accounts in the Arzars. The following was recorded thereon by

Mr. Plunkett on the 5th Idem.

"Eudore. Petition received from Sir-

sawme that from enquiry it does not

appear that he is entitled to a con-

passional allowance and his request

cannot therefore be complied with."

6. These are the facts of the case, which
the Petitioner, has not, I believe, correctly
disclosed in his appeal Petition, which
is returned, herewith.
