To,

The Chief Secretary to Government
Madras

Sir,

With reference to your endorsement
N^o. 2197 on the petition of Rajappa late shroff of
1871
Kodliger I have the honor to report that the petitioner
resigned his appointment of his own accord being
unable from old age to discharge the duties of the
office. A translation of the original resignation
is herewith forwarded.

2. Petitioner cannot claim any pension as his
service prior to 19th October 1860 as a shroff on R^g-
cannot be counted vide Rule 635-Section 24 of
the Unsworned Servants' Act &c.

3. He would have been entitled to some gratuity
if his resignation had been compulsory or ac-
casioned by reduction of establishment or some
such cause, or if he had made application for
the same before he finally quitted the Public
Service vide Rules 755 & 781 Section 32 of the above.

4. If however the Government be pleased
to take into consideration the mistake the
man made, for it was doubtless unintentional,
I have the honor to request permission to make
out the usual gratuity recommendation.

2/0,

His Excellency Honorable the
Governor in Council
Madras.

The Honble petition of Amburshi Ragajirah
late Sheraff of Khandliger Taluk Bellary District

Most-Respectfully Shonweth

The humble Petitioner serves the Honorable Government for a lengthened space of 32 years as marginally noted and applied for pension on account of old age. The collector's endorse-
ment No. 693 (wherein enclosed A) being one of the irresistible nature to the generous object of the Honorable Government in informing the Petitioner that he is not entitled to be recommended either for pension or gratuity, your Humble Petitioner with due deference and respect begs to lay the below particularized grievance and miserable circumstances before your Honor-
ing fully in the hope that they will be taken into your benevolent consideration.

II. The collector has in his endorsement mentioned that excepting the service gained by the Petitioner in the post of 7 Places, the service being only of 10 years is not computable for pension and the Petitioner is not entitled to gratuity not having applied for it while still in the employement.

III The service of 7 Pempres disapproved of
by the collector is equal to the service of grade

of Sharaff of 10 years which is considered admirable. The salaries of the long Sharaffs were at that time less than 10 Rupees and, under the present provisions this may be reckoned towards pension. With the exception of reduction if it is desired to grant the pension to the persons that should have passed 35 years of service, to complete which the Petitioner has although a little more, still has a service of 40 years in the eligible post of 15 Rupees, and his total service is 32 years, out of which he has served as a Sharaff for the continuous space of 30 years, discharging the duties with entire satisfaction, greatest care, and intelligence: under these circumstances the Petitioner humbly begs to solicit your Honor will be pleased as to consider his case as a special one and to award him Pension under the Pension Rules of Persia.

IV The letter just mentioned in the Collector's endorsement that the Petitioner has not made application as to the submission of his resignation, appears to be the idea of the Collector that it was not convenient to send up the Petitioner to the Medical Authority. As the statement of the Collector, the Petitioner did not wish to mention while in the terms of the employment, but did mention in his resignation that he is unable to carry out the business on account of old age, and that such consideration as possible be taken with regard to his future means of maintenance.

Whereupon the Division Officer recommended the Petitioner to the Collector for pension, consequently

earnestly, entreats your Honor will be good enough to cause the application made to quit his employ and the letter from the Division Officer to the Collector to be produced before your Honor for information.

V. Upon such application the Division Officer has failed to send the Petitioner up to the medical Authority presuming that 30 years service is eligible, and the Petitioner was also mistaken not having a knowledge of the pension rules, and seeing that the Division Officer has recommended him to the Collector.

VI The Petitioner begs to inform that such mistaken idea cannot at all prove preclusive to the liberal and generous granting of means of protection, also humbly and respectfully craves the Honorable Government that the Petitioner may be made to undergo the examination of the Doctor if it is deemed necessary as the expiration of period of only 6 months after giving up the employment of Sharaffship could not have rendered him too old.

VII. The humble Petitioner most respectfully and with due submission begs to inform that he, fancying the erroneous argumentation at first pronounced by the Collector might be taken into reconsideration again applied to him on the subject in August last. The Acting Collector who was at the time made mention in his endorsement No 938 (herein enclosed B) informing in the same manner to make a petition to the Honorable Board. On petitioning accordingly to the Honorable Board who favored the Petitioner with an endorsement No 2314 (herein enclosed C) stating that they

they have nothing to do with this effect. On account of this so much delay was occasioned.

VIII In conclusion the humble Petitioner most respectfully begs to solicit that the Honorable Government will be highly pleased to take the old poor servant's miserable circumstances into the benevolent consideration and grant him either Pension or Gratuity.

For which act of kindness he and other members of his family shall ever as in duty bound remember the Honorable Government with great thanks and gratitude.

I beg to remain,
Most Respected Sir,
Your most Obedt. & humble Servant.

I, Surgeon Major J. Brett M.D. Offr. Garrison
Surgeon at Bellary, do hereby Certify that I have
carefully examined "Amburschi Rajappa" Paraf
in the Hoodlighee Talug; that his age is by his own
statements 60 years, and he appeared about 65
years; and that I find him to be unfit for further
service, from old age, and infirmity, the result, now,
in my opinion, attributable, to intemperance or other
irregular habits.
