To, The Superintendent of Police
Trichinopoly

Sir,
I have the honor to return the Statement of Constable No. 679 which accompanied your letter of the 3rd No. 98 with the particulars filled in and to observe that there is nothing on record to show why there was a break in the service for 3 days from the 29th of July to the 1st of August 1860.

2. I believe you have also noticed similar short breaks in regard to other Constables' services - There can be little doubt that all these intervals between services in the old and new Police Forces are the result of incomplete arrangements. The new do not appear to have been allowed the shortest possible joining time. It is certain they were not dismissed the old Force or they would not have been so -

retained in the new Police, neither
 did they resign. In many cases the
 interval or break will prove a great
 hardship and the more so as the first
 time the men hear their service has
 not been continuous is when they apply
 for Compassionate allowance or gratuity.

I have the honor to be,
 Sir,

Yours most obedient Servant

to inform that the reason why the election
certificates for the constables named therein
not having been obtained earlier has owing
to the fact that Superintendent had no opportunity

Superintendent that steps was laid upon
all these certificates being taken if possible
by superintendents in person, and not being
aware that there was any immediate
necessity for taking them. He has been
doing it as he found the opportunity.

2. The election certificates
 in the present cases bear
 a date subsequent to the
 date of retirement and
 it appears from the extract
 from the Superintendent's

 submitted with the
 application, that he has
 been recording elections
 at his leisure under the
 impression that there
 was "no immediate necessity

3. The As. Inspector General

 attention of Superintendents
 to the Rules which
 distinctly prescribe
 that the elections are
