CERTIFICATE
No. 1171

Certified that I have examined
Ramaswamy Iyer 2nd Class Province
Inspector of Sharampore, and
find that he is suffering from
incipient Leprosy, which has not
as yet affected his general health and
strength much, I cannot therefore
declare him "physically unfit" for
further service, unless, as I am
of opinion should be the case, the
simple existence of such a disease
be considered a disqualification
for the public service.

countant General

Sir,

The case of Poor Ram
manawaryyer being retained in
he must retire. The order passed
Kamasaunier on the 17th and
his application for pension was
received by the Sub Collector on
the 4th January 1872. As the Christ-
mas holidays extended from the
24th December 1871 to 3rd January 1872,
the application was probably re-
ceived in the office during the holi-
days.

Under these circumstances

Collector's Office on the 30th. It
was endorsed by the Collector
and sent to the Sub Collector on
the same date that the said
should retire from the service.

The Sub Collector upon
the receipt of these Proceedings
wrote on the 5th December to
the Tahildar of Warampury taluq
to inform Ramasawmiers that

the service till 31st December 1871
is explained as follows:-

2. The Sub Collector made a
reference to the Collector on the
1st November 1871 whether a laborer
could be retained in the service.

The Collector submitted the mat-
ter to the Board of Revenue, on
the 4th inst and the Proceeding
of the Board, dated 22nd Novem-
ber 1871, has been reached the

Collector

it will be observed that the Appli-
cant's resignation was accepted by
the Sub Collector subsequent to the
31st December 1871, consequently
Ramasawmiers' continuance in
the service until the 31st, was
unavoidable.

Memorandum for orders.

Application is made for the grant of an invalid pension to J. Ramaswamy Iyer, late Revenue Inspector of Dharmapuri Taluk Salem District, whose qualifying service amounts to 21 years 8 months 19 days and who is therefore entitled to a pension of one third of his pay viz. Rs 8. 14. 1. The case is submitted for orders as to whether Leprosy is to be held a sufficient cause of disqualification for the public service and whether the production of a medical certificate in the form now submitted can be held

It is submitted that the cause is sufficient. It is believed unlikely that there is risk of contagion from Leprosy in its more advanced stage.
