*Proceedings of the Madras Government, Pension Department,
16th October 1872.*

Read the following papers:—

From the Acting Collector of Ganjam, dated 25th July 1872.

„ Officiating Deputy Accountant-General, dated 26th September 1872,
No. 57.

ORDER THEREON, 16th October 1872, No. 756.

Application is made for the grant of an inferior pension to Aratlakatla Venkiah, late Head Shroff, Chicacole Taluq, Ganjam, whose total service amounts to thirty-seven years, nine months, and eighteen days. Of this period, however, the first two years, eleven months, and twenty-three days was passed on the establishment of an estate under the management of the Court of Wards, and does not reckon as service towards pension; the applicant's *qualifying* service, therefore, amounts to only thirty-four years, nine months, and twenty-five days, and his claim is reduced to one of gratuity equal to six months' pay, viz., Rupees 90.

2. The Acting Collector is in error in supposing that the applicant is entitled to reckon service on the estate establishment under the rules. A reference to G. O., 28th May 1856, No. 202, Public Department, in which the practice of allowing service on zemindary estates to reckon towards pension originated, shows that such service was never admitted except in the case of public servants *already on the permanent establishment* and transferred from it to an estate establishment. In the present case employment under the Court of Wards was the commencement of service.

3. As, however, the applicant's service falls short by so brief an interval (two months and five days) of the period which would entitle him to an inferior pension, His Excellency the Governor in Council resolves to submit his case for the favourable consideration of the Government of India with the view to the grant of an invalid pension of Rupees 4 on the inferior scale under Section 63 (c) of the Civil Pension Code, and, pending their decision, to sanction payment of the gratuity of Rupees 90, to which Venkiah is entitled under the rules, by monthly instalments of Rupees 4 with effect from the date of retirement, 19th September 1871.

PENSION.

To THE COLLECTOR OF GANGAM,
&c., &c.,

Dated October, 16th.

G.O., 16th October 1872, No. 756.

OCTOBER.

Granting a gratuity of Rupees 90 to A. Venkiah,
late Head Shroff in the Chicacole Taluq, payable
by monthly instalments of Rupees 4, pending the
result of an application to the Government of India
for the grant of an invalid pension in lieu of the
gratuity.

His total period of service amounts to 37 years 9 months and 16 days, and he is therefore entitled to a compassionate allowance of 4 Rupees per mensem.

2 In reference to his old age and consequent feebleness the applicant was at first ordered by the Principal Assistant Collector to retire without a Medical Certificate but subsequently finding that it was necessary he was asked to produce one which he accordingly did hence the difference between the date of his retirement and Medical Certificate.

3 The cause of delay in the submission of this application is partly due to the late period at which the Medical Certificate was produced, and partly to the difficulty of verifying his services both in the Muzur and Taluq Catchment, and of ascertaining from the records and other sources the causes of 2 degradations, and one suspension in the whole period of his service.

4 The age given by the applicant to the Medical officer is 62 years but the Medical officer considers him to be 68 years old, though the applicant in his disposition shows it to be 60 only.

The

5

The Principal Assistant Collector on the other hand puts it down at 69 while the detailed list of this office for the year 1870-71 shows it to be 60. The age given by the Principal Asst. Collector which nearly tallies with the Medical officer's statement viz 69 has been put down in the Register.

"While I was Head Shroff of the Tahsildar's catchury of Chicacole Taluq in 1862 on a certain day the date and month. I do not remember a Police Constable came and asked me to give dabs in exchange for a Rupee for the Superintendent of Police and I gave him accordingly. The constable whose name I did not know took the dabs and returned to me saying that he took them to the Principal Assistant Collector's office where the Superintendent of Police was and counting them there five having been found deficient the Principal Asst^y Collector required me.

me to come I went there and counted the dubs
There five were left I said that I gave in full
He said "Well go", on the following day he
issued orders transferring me to the post of
Shroff, and Anuntapally Saryanarayana
the 2d Shroff to that of Head Shroff and
directed that the arrangement should continue
in force until further orders. When Mr. Roper
the Principal Asst Collector was to proceed to
Madras, i.e. 10 days after my transfer, and
reduction I presented to him and he then
reinstated me. In 1854 a Peon of "Wadada"
Talug whose name I did not know told the
Tahsildar of that Talug that he gave me a
stolen article I was then Shroff of "Wadada"
Talug, and I told him that the Peon gave me
no stolen article. Mr. Fraser the then Principal
assistant collector directed that the prisoner be
sent to him together with the stolen article
The

The Tahsildar sent only the prisoner
and reported that the article was lost after-
wards the Gentleman suspended myself
the Daffadar, and the said Peon Dudi
Peshaiak and called us to the Anjur. Two
or three days after I went there Mr.
Fraser went away and Mr. Ford came
I was under suspension for about 20 days
Mr. Ford having investigated the case
cancelled the suspension restored me to my
post and also allowed me the pay which
was due to me I was except on this
said occasion suspended or reduced

The first degradation appears
to have been the cause of the reinstatement

the cause of the second degradation is
not known from the Records but the
applicant in his disposition states that
he was temporarily degraded in consequence
