*Proceedings of the Madras Government, Pension Department,
22nd October 1872.*

Read letter from the Collector of Bellary, dated 9th October 1872, No. 91.

ORDER THEREON, 22nd October 1872, No. 777.

The Collector of Bellary reports that the petitioners resigned their appointments owing to inability to serve longer, and that the non-submission of applications to Government for retiring allowance on their behalf was due to failure on the part of petitioners to prefer their claims, they being contented at the time with the bestowal of their posts on their sons.

2. The Collector's attention is drawn to the Notification under date the 17th April 1866, published at page 603 of the *Fort St. George Gazette*, prescribing the course to be followed by Heads of Offices on the retirement of their subordinates. The Government have repeatedly laid down that it is the duty of Heads of Offices to explain to their subordinates about to retire all the necessary steps for obtaining pensions and gratuities, and that in cases where a medical certificate is requisite it is preferable that the Medical Officer's opinion should be sought by the Head of the Office rather than by the applicant himself. (*Vide* G. O., 11th December 1862, No. 392, Pension Department, embodied in Board's Standing Circular No. 8206). The bestowal of the posts held by petitioners on their relatives constitutes no bar to their claim to retiring allowance. (*Vide* G. O., 16th September 1870, No. 1176, published at page 1211 of the *Fort St. George Gazette*).

3. The Collector will submit through the usual channel, with as little delay as possible, applications in the prescribed form for such retiring allowances as the petitioners are respectively entitled to. The cause of retirement is stated in every case to have been inability to serve longer; the applications must, therefore, be supported by medical certificates, but as these documents will not afford conclusive proof of the state of health of the individuals referred to at the time of retirement, owing to the very considerable interval which has elapsed in the majority of the cases, the Collector should procure such evidence as is available and report, in forwarding the registers, whether he is satisfied that the retirement in each case was due to incapacity for further service.

The Honourable Board of Revenue
Madras

At respected Sirs

We the undersigned late Revenue peons of the
Gooty Taluk of this District, beg to bring to your favour-
able consideration our distressed circumstances fully trust-
ing that they will receive your good attention.

We have served in the Gooty Taluk butchery as
Revenue peons for upwards of 35 years without obtaining
any black mark whatever, on our character.

On account of our old age we were obliged to resign
our offices in 1869. Our sons being fit for posts of
Revenue peons, we produced them before the Tasildar
requesting him to take into his favourable consideration

their claims to the posts. The Tasildar recommended
them for the posts and the Divisional officer approved
of his recommendation. We applied to Mr. Kellogg
recommending us for pension. He refused to do so on the

ground that our sons were appointed. We then applied
to the Collector on the same subject. That officer
referred the matter to the Collector for his opinion. We

appeared before the Collector, who told us that
he had referred the matter to the Collector for pension.

We then again went to the Collector and represented
our circumstances to him. ~~Notwithstanding~~ our prayers
he refused to recommend us for pension and
us with the accompanying endorsement. He simply said
that our request cannot be complied with as the
Acting Sub Collector Mr. Reuben had said that we
were not entitled to compensation on account of our sons
being appointed peons. We beg to lay this decision
before your honour to consider whether it is just or not.
As our sons were fit for posts, they were favoured with
posts; they have ~~now~~ turned us off from them. We are
left destitute of any livelihood. It is no reason
because our sons were favoured with posts, ~~we~~ should
be deprived of our pensions. The Government have
expressly ordered that whether the posts were conferred on
their sons of the retiring peons or not, the peons must
be remunerated with pension or gratuity as the case may
be. Under these circumstances we beg the Honorable
Board that our case be specially taken into consid-
eration and granted relief. The Collector's and
Acting Sub Collector's endorsements were as follows.

We beg to remain
most respected gentlemen
your most obedient Servants.
